The term "Builders" shall collectively mean to all persons or entities meeting the definition of "Builder" as provided herein. "Common Areas" shall mean all real property interests and personalty within TWIN CREEKS designated as Common Areas from time to time by the Declarant, by Plat or by recorded amendment to this Declaration and provided for, owned, leased by, or dedicated to, the common use and enjoyment of the Owners within TWIN CREEKS. The Common Areas may include, without limitation, the Recreational Facilities, open space areas, internal buffers, entrance features, perimeter buffers, landscaped areas, irrigation facilities, and project signage. The Common Areas do not include any portion of a Lot. NOTWITHSTANDING ANYTHING HEREIN CONTAINED TO THE CONTRARY, THE DEFINITION OF "COMMON AREAS" AS SET FORTH IN THIS DECLARATION IS FOR DESCRIPTIVE PURPOSES ONLY AND SHALL IN NO WAY BIND, OBLIGATE OR LIMIT THE DECLARANT OR BUILDER TO CONSTRUCT OR SUPPLY ANY SUCH ITEM AS SET FORTH IN SUCH DESCRIPTION, THE CONSTRUCTION OR SUPPLYING OF ANY SUCH ITEM BEING IN THE DECLARANT'S SOLE DISCRETION. FURTHER, NO PARTY SHALL BE ENTITLED TO RELY UPON SUCH DESCRIPTION AS A REPRESENTATION OR WARRANTY AS TO THE EXTENT OF THE COMMON AREAS TO BE OWNED BY THE ASSOCIATION, EXCEPT AFTER CONSTRUCTION AND CONVEYANCE OF ANY SUCH ITEM TO THE ASSOCIATION. FURTHER, AND WITHOUT LIMITING THE FOREGOING, CERTAIN AREAS THAT WOULD OTHERWISE BE COMMON AREAS SHALL BE OR HAVE BEEN CONVEYED TO THE DISTRICT AND SHALL COMPRISE PART OF THE FACILITIES. The Declarant shall also have the right to assign all or a portion of any obligations of the Declarant in this Declaration. In the event of a partial assignment of some, but not all, the Declarant rights and/or obligations, the assignee shall not be deemed the Declarant, but may exercise only those rights, or shall be responsible for only those obligations, of the Declarant assigned to the assignee. Additionally, any partial assignee that does not assume all of the obligations of the Declarant shall not be deemed the Declarant. Most or all components which are typically considered "Common Area" of a development of this nature have instead been designated herein as part of the CDD Facilities. "Home" shall mean a residential dwelling and appurtenances thereto constructed on a Lot within TWIN CREEKS. The term Home may not reflect the same division of property as reflected on the Plat. A Home shall be deemed created and have perpetual existence upon the issuance of a final or temporary Certificate of Occupancy for such residence; provided, however, the subsequent loss of such Certificate of Occupancy (e.g. by casualty or remodeling) shall not affect the status of a Home, or the obligation of an Owner to pay Assessments with respect to such Home. 3. Plan of Development.

3.1 Plan. The planning process for TWIN CREEKS is an ever-evolving one and must remain flexible in order to be responsible to and accommodate the needs of the community. Subject to the Title Documents, the Declarant may and has the right to develop TWIN CREEKS and adjacent property owned by the Declarant into residences, comprised of homes, villas, coach homes, townhomes, patio homes, single-family homes, estate homes, multi-family homes, condominiums, rental apartments, and other forms of residential dwellings. The existence at any point in time of walls, landscape screens, or berms is not a guaranty or promise that such items will remain or form part of TWIN CREEKS as finally developed.

3.2 Governing Documents. The Governing Documents create a general plan of development for TWIN CREEKS that may be supplemented by additional covenants, restrictions and easements applicable to any portion of TWIN CREEKS. In the event of a conflict between or among the Governing Documents and the additional covenants or restrictions, and/or the provisions of any other articles of incorporation, bylaws, rules or policies, the Governing Documents shall control. Nothing in this Section shall preclude any Supplemental Declaration or other recorded covenants applicable to any portion of TWIN CREEKS from containing additional restrictions or provisions that are more restrictive than the provisions of this Declaration. All provisions of the Governing Documents shall apply to all Owners, Builders and to all occupants of Homes, as well as their respective Lessees, guests and invitees. Any Lease Agreement for a Home within TWIN CREEKS shall provide that the Lessee and all occupants of the leased Home shall be bound by the terms of the Governing Documents. Specific requirements for Lessees are set forth in this Declaration.

3.3 Site Plans and Plats. The site plans or the Plat may identify some of the Facilities or Common Areas within TWIN CREEKS. The description of the Facilities or Common Areas on the Plat is subject to change and the notes on a Plat are not a guarantee of what improvements will be constructed as Facilities or Common Areas. Site plans used by the Declarant or Builders in their marketing efforts may illustrate the types of improvements that may be constructed on the Facilities or Common Areas but such site plans are not a guarantee of what improvements will actually be constructed as Facilities or Common Areas. Each Owner should not rely on the Plat or any site plans used for illustration purposes as the Declaration governs the rights and obligations of the Declarant and Owners with respect to the Common Areas or Facilities.

4. Amendment.

4.1 General Restrictions on Amendments. Notwithstanding any other provision herein to the contrary, no amendment to this Declaration shall affect the rights of the Declarant or Builders unless such amendment receives the prior written consent of the Declarant or Builders, as applicable, which consent may be withheld for any reason whatsoever. No amendment shall alter the provisions of this Declaration benefiting Lenders without the prior approval of the Lender(s) enjoying the benefit of such provisions. If the prior written approval of any governmental entity or agency having jurisdiction is required by applicable law or governmental regulation for any amendment to this Declaration, then the prior written consent of such entity or agency must also be obtained. All amendments must comply with Section 25.2 which benefits SWFWMD. No amendment shall be effective until it is recorded in the Public Records.

4.2 No Vested Rights. Each Owner by acceptance of a deed to a Home irrevocably waives any claim that such Owner has any vested rights pursuant to case law or statute with respect to this Declaration or any of the other Governing Documents. It is expressly intended that the Declarant and the Association have the broad right to amend this Declaration and the other Governing Documents, except as limited by applicable law as it exists on the date this Declaration is recorded in the Public Records or except as expressly set forth herein.

4.3 Amendments Prior to the Turnover. Prior to the Turnover, the Declarant shall have the right to amend this Declaration as it deems appropriate, without the joinder or consent of any person or

THIS IS NOT A CERTIFIED COPY

entity whatsoever, except as limited by applicable law as it exists on the date this Declaration is recorded in the Public Records or except as expressly set forth herein. Such amendments may include, without limitation, (i) the creation of easements for telecommunications systems, utility, drainage, ingress and egress and roof overhangs over any portion of TWIN CREEKS; (ii) additions or deletions from TWIN CREEKS and/or the properties comprising the Common Areas; (iii) changes in the Rules and Regulations; (iv) changes in maintenance, repair and replacement obligations; and (v) modifications of the use restrictions for Homes. The Declarant's right to amend under this provision is to be construed as broadly as possible. By way of example, and not as a limitation, the Declarant may create easements over, under and across Lots conveyed to Owners provided that such easements do not prohibit the use of Homes on such Lots as residential dwellings. Notwithstanding any other provision of this Declaration to the contrary, prior to the Turnover Date and so long as a Builder shall own any Lot, such Builder's prior written consent to any proposed amendment shall be obtained prior to effectuating any such amendment. In the event the Association shall desire to amend this Declaration prior to the Turnover, the Association must first obtain the Declarant's and Builders' prior written consent to any proposed amendment. Thereafter, an amendment identical to that approved by the Declarant and Builders may be adopted by the Association pursuant to the requirements for amendments from and after the Turnover Date. The Declarant and Builders shall join in such identical amendment so that their consent to the same will be reflected in the Public Records. To the extent legally required, each Owner shall be deemed to have granted to the Declarant, and thereafter, the Association, an irrevocable power of attorney, coupled with an interest, for the purposes herein expressed.

4.4 Amendments after the Turnover. After the Turnover, but subject to the general and specific restrictions on amendments set forth herein, this Declaration may be amended with the approval of (i) a majority of the Board; and (ii) fifty-one percent (51%) of the Voting Interests present (in person or by proxy) at a duly noticed meeting of the members of the Association at which there is a quorum.

4.5 Compliance with HUD, FHA, VA, FNMA, GNMA and SWFWMD. Notwithstanding any provision of this Declaration to the contrary, prior to the Turnover, the Declarant shall have the right to amend this Declaration, from time to time, to make such changes, modifications and additions therein and thereto as may be requested or required by HUD, FHA, VA, FNMA, GNMA, SWFWMD, or any other governmental agency or body as a condition to, or in connection with, such agency's or body's regulatory requirements or agreement to make, purchase, accept, insure, guaranty or otherwise approve loans secured by mortgages on Lots. No approval or joinder of the Association, other Owners, or any other party shall be required or necessary to such amendment. After the Turnover, but subject to Section 4.1 above of this Declaration, the Board shall have the right to amend this Declaration, from time to time, to make such changes, modifications and additions therein and thereto as may be requested or required by HUD, FHA, VA, FNMA, GNMA, SWFWMD or any other governmental agency or body as a condition to, or in connection with such agency's or body's regulatory requirements or agreement to make, purchase, accept, insure, guaranty or otherwise approve loans secured by mortgages on Lots. No approval or joinder of the Owners, or any other party shall be required or necessary to any such amendments by the Board. Any such amendments by the Board shall require the approval of a majority of the Board.

5. Annexation and Withdrawal.

5.1 Annexation by the Declarant. Prior to the Community Completion Date, additional lands may be made part of TWIN CREEKS by the Declarant. Except for applicable governmental approvals (if any), no consent to such annexation shall be required from any other party (including, but not limited to, the Association, Owners or any Lenders). Such annexed lands shall be brought within the provisions and applicability of this Declaration by the recording of a Supplemental Declaration to this Declaration in the Public Records. The Supplemental Declaration shall subject the annexed lands to the covenants, conditions, and restrictions contained in this Declaration as fully as though the annexed lands were described herein as a portion of TWIN CREEKS. Such Supplemental Declaration may contain additions to, modifications of, or omissions from the covenants, conditions, and restrictions contained in this Declaration as deemed appropriate by the Declarant and as may be necessary to reflect the different

THIS IS NOT A CERTIFIED COPY

character, if any, of the annexed lands. Except as otherwise provided herein, prior to the Community Completion Date, only the Declarant may add additional lands to TWIN CREEKS.

5.2 Annexation by the Association. After the Community Completion Date, and subject to applicable governmental approvals (if any), additional lands may be annexed with the approval of (i) a majority of the Board; and (ii) fifty-one percent (51%) of the Voting Interests present (in person or by proxy) at a duly noticed meeting of the members of the Association at which there is a quorum.

5.3 Withdrawal. Prior to the Community Completion Date, any portions of TWIN CREEKS (or any additions thereto) may be withdrawn by the Declarant from the provisions and applicability of this Declaration by the recording of an amendment to this Declaration in the Public Records. The right of the Declarant to withdraw portions of TWIN CREEKS shall not apply to any Lot that has been conveyed to an Owner or Builder unless that right is specifically reserved in the instrument of conveyance or the prior written consent of the Owner or Builder is obtained. Except as provided in this paragraph below, the withdrawal of any portion of TWIN CREEKS shall not require the consent or joinder of any other party (including, without limitation, the Association, Owners, or any Lenders). The Association shall have no right to withdraw land from TWIN CREEKS. So long as any Builder shall own any Lot, such Builder's prior written consent to any proposed amendment withdrawing portions of TWIN CREEKS shall be obtained by the Declarant prior to effectuating any such amendment withdrawing property, except for any withdrawals required by a governmental agency which the Declarant may make without the joinder or consent of any other party.

5.4 Effect of Filing Supplemental Declaration. Any Supplemental Declaration filed pursuant to this Section 5 shall be effective upon recording in the Public Records, unless otherwise specified in such Supplemental Declaration. On the effective date of the Supplemental Declaration, any additional property subjected to this Declaration shall be assigned voting rights in the Association and Assessment liability in accordance with the provisions of the Supplemental Declaration and this Declaration.

6. Dissolution.

6.1 Generally. In the event of the dissolution of the Association without reinstatement within thirty (30) days thereafter, other than incident to a merger or consolidation, any Owner may petition the Circuit Court of the appropriate Judicial Circuit of the State of Florida for the appointment of a receiver to manage the affairs of the dissolved Association and to manage the Common Areas in the place and stead of the Association, and to make such provisions as may be necessary for the continued management of the affairs of the dissolved Association. In the event the Association is dissolved, other than incident to a merger or consolidation, to the extent they are not owned and operated by the District, the SWMS shall be conveyed to SWFWMD or an appropriate agency of local government and, if not accepted by such agency, the SWMS shall be dedicated to a similar non-profit corporation. If the Association ceases to exist and the District does not own and operate all SWMS, the responsibility for the operation and maintenance of the SWMS must be transferred to and accepted by an entity which complies with Rule 62-330.310, Florida Administrative Code (2016), and the Environmental Resource Applicant's Handbook Volume 1, Section 12.3, and be approved by SWFWMD prior to such termination, dissolution, or liquidation.

6.2 Applicability of Declaration after Dissolution. In the event of dissolution of the Association, TWIN CREEKS and each Lot therein shall continue to be subject to the provisions of this Declaration, including, without limitation, the provisions respecting Assessments specified in this Declaration. Each Owner shall continue to be personally obligated to the successors or assigns of the Association for Assessments to the extent that Assessments are required to enable the successors or assigns of the Association to properly maintain, operate and preserve the Common Areas. The provisions of this Section only shall apply with regard to the maintenance, operation, and preservation of those portions of TWIN CREEKS that had been Common Areas and continue to be so used for the common use and enjoyment of the Owners.

7. Binding Effect and Membership.

7.1 Term. Subject to the Declarant's right to amend this Declaration prior to Turnover and the Association's right to amend this Declaration after Turnover, the covenants, conditions and restrictions of this Declaration shall run with and bind the land and shall inure to the benefit of and be enforceable by the Association, or the owner of any land subject to this Declaration, their respective legal representatives, heirs, successors and assigns, for a term of twenty-five (25) years from the date this Declaration is recorded in the Public Records, after which time the covenants, conditions and restrictions contained in this Declaration shall be automatically extended for successive periods of ten (10) years unless prior to the end of such twenty-five (25) year period, or each successive ten (10) year period, an instrument signed by eighty percent (80%) of the total Voting Interests agreeing to terminate this Declaration has been recorded in the Public Records. Provided, however, that no such agreement to terminate the covenants, conditions and restrictions shall be effective unless made and recorded at least ninety (90) days in advance of the effective date of such change.

7.2 Transfer. The transfer of the fee simple title to a Home or Lot, whether voluntary or by operation of law, terminating an Owner's or Builder's title to that Home or Lot, shall terminate the rights to use and enjoy the Common Areas and shall terminate such Owner's or Builder's membership in the Association. An Owner's or Builder's rights and privileges under this Declaration are not assignable separately from a Lot. The record title owner of a Lot is entitled to the benefits of, and is burdened with the duties and responsibilities set forth in the provisions of this Declaration. All parties acquiring any right, title and interest in and to any Lot shall be fully bound by the provisions of this Declaration. In no event shall any Owner acquire any rights that are greater than the rights granted to, and limitations placed upon its predecessor in title pursuant to the provisions of this Declaration. The transferor of any Lot, whether a Builder or any Owner, shall remain jointly and severally liable with the transferee for all obligations pursuant to this Declaration that accrue prior to the date of such transfer, including, without limitation, payment of all Assessments accruing prior to the date of transfer.

7.3 Membership and Voting Rights. In addition to the Declarant, upon acceptance of title to a Lot, and as more fully provided in the Articles and Bylaws, each Owner and Builder shall be a member of the Association. Membership rights are governed by the provisions of this Declaration, the Articles and Bylaws. Membership shall be an appurtenance to, and may not be separated from the ownership of a Lot. The Declarant rights with respect to membership in the Association are set forth in this Declaration, the Articles and Bylaws. The Association shall have the following two (2) classes of voting membership:

7.3.1 Class A Members. Class A Members shall be all Owners and Builders. Each Class A Member shall be entitled to one (1) vote for each Lot owned. When more than one person holds an interest in any Lot as an "Owner," all such persons shall be members. The vote for such Lot shall be exercised as such persons determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

7.3.2 Class B Member. The Declarant shall be the Class B Member and shall be entitled to nine (9) votes for each Lot owned; provided, however, as to land which is annexed or added pursuant to the terms of this Declaration, the Declarant shall be entitled to fourteen (14) votes per acre or fraction thereof contained within a Parcel, until such time as the Parcel is platted, whereupon the Declarant shall be entitled to nine (9) votes per Lot in lieu of the votes per acre. Notwithstanding the foregoing, from and after the Turnover Date, the Declarant shall be entitled to one (1) vote for each Lot owned. "Turnover" shall mean the transfer of operation of the Association by the Declarant to Owners and Builders. The Turnover of the Association by the Declarant shall occur on the Turnover Date at the Turnover meeting. The purpose of the Turnover meeting is to elect a majority of the Board. No more than sixty (60) days and no less than thirty (30) days prior to the Turnover meeting, the Association shall notify in writing all Class A Members of the date, location, and purpose of the Turnover meeting. The Turnover shall take place within three (3) months of the occurrence of the following events, whichever occurs earliest:

7.3.2.2 When the Declarant makes the election, in its sole and absolute discretion, to give written notice to the Association of its decision to cause the Turnover to occur; or

7.3.2.3 As otherwise required by Section 720.307, Florida Statutes (2016).

7.4 Ownership by Entity. In the event that an Owner is other than a natural person, that Owner shall, prior to occupancy of the Home, designate one or more persons who are to be the occupants of the Home and register such persons with the Association. All provisions of this Declaration and other Governing Documents shall apply to both such Owner and the designated occupants.

7.5 Voting Interests. Voting Interests in the Association are governed by this Declaration, the Articles and Bylaws.

7.6 Document Recordation Prohibited. Neither the Association nor any Owner, nor group of Owners, may record any documents that, in any way, affect or restrict the rights of the Declarant or conflict with the provisions of this Declaration or the other Governing Documents.

7.7 Conflicts. In the event of any conflict among this Declaration, the Articles, the Bylaws or any of the other Governing Documents, this Declaration shall control.

8. Paramount Right of the Declarant. Notwithstanding anything to the contrary herein, prior to the Community Completion Date, the Declarant shall have the paramount right to dedicate, transfer, and/or convey (by absolute conveyance, easement, or otherwise) portions of TWIN CREEKS for various public purposes or for the provision of telecommunications systems, or to make any portions of TWIN CREEKS part of the Common Areas, or to create and implement a special taxing district which may include all or any portion of TWIN CREEKS. SALES BROCHURES, SITE PLANS, AND MARKETING MATERIALS ARE CURRENT CONCEPTUAL REPRESENTATIONS AS TO WHAT IMPROVEMENTS, IF ANY, WILL BE INCLUDED WITHIN THE COMMON AREAS OR FACILITIES, AS APPLICABLE. THE DECLARANT SPECIFICALLY RESERVES THE RIGHT TO CHANGE THE LAYOUT, COMPOSITION, AND DESIGN OF ANY AND ALL COMMON AREAS OR FACILITIES, AS APPLICABLE, AT ANY TIME, WITHOUT NOTICE AND AT ITS SOLE DISCRETION.

9. Common Areas.

9.1 Prior to Conveyance. Prior to the conveyance of the Common Areas to the Association as set forth in Section 9.4 herein, any portion of the Common Areas owned by the Declarant shall be operated, maintained, and administered at the sole cost of the Association for all purposes and uses reasonably intended, as the Declarant in its sole discretion deems appropriate. During such period, the Declarant shall own, operate, and administer the Common Areas without interference from any Owner or any other person or entity whatsoever. Owners shall have no right in or to any Common Areas referred to in this Declaration unless and until same are actually constructed, completed, and conveyed to the Association. The Declarant, so long as it controls the Association, further specifically retains the absolute right to add to, delete from, or modify any of the Common Areas referred to herein at its sole discretion without notice. It is anticipated by the Declarant that some of the commonly shared improvements within TWIN CREEKS will be owned by the District. As such, Common Areas are limited to those commonly shared improvements that are not Facilities owned by the District.

9.2 Construction of Common Areas Improvements. Since most of the commonly shared improvements within TWIN CREEKS will be owned by the District, the Declarant anticipates it will

construct very limited, if any, improvements as part of the Common Areas. Certain of the Common Area improvements are intended for recreational activities (collectively, the "**Recreational Facilities**"). The Declarant shall be the sole judge of the composition of any Common Area improvements. Prior to the Community Completion Date, the Declarant reserves the absolute right to construct additional Common Area improvements within TWIN CREEKS, from time to time, in its sole discretion, and to remove, add to, modify and change the boundaries, facilities and improvements now or then part of the Common Areas. The Declarant is not obligated to, nor has it represented that it will construct any Common Area improvements. The Declarant is the sole judge of the Common Area improvements, including the plans, specifications, design, location, completion schedule, materials, size, and contents of the facilities, improvements, appurtenances, personal property, color, textures, finishes or changes or modifications to any of them.

9.3 Use of Common Areas by Declarant. Until the Community Completion Date, the Declarant shall have the right to use any portion of the Common Areas, without charge, for any purpose deemed appropriate by the Declarant.

9.4 Conveyance.

9.4.1 Generally. The Common Areas may be designated by the Plat, created in the form of easements or conveyed to the Association by quitclaim deed or other instrument of conveyance, as determined by the Declarant in its sole and absolute discretion. The Association shall pay all costs of the conveyance at the Declarant's request. The designation of Common Areas, creation by easement, or conveyance shall be subject to easements, restrictions, reservations, conditions, limitations, and declarations of record, real estate taxes for the year of conveyance, zoning, land use regulations and survey matters. The Association shall be deemed to have assumed and agreed to pay all continuing obligations and service and similar contracts relating to the ownership operation, maintenance, and administration of the conveyed portions of Common Areas and other obligations relating to the Common Areas imposed herein. The Association shall, and does hereby, indemnify and hold the Declarant and Builders harmless on account thereof. The Association, by its joinder to this Declaration, hereby accepts such dedication(s) or conveyance(s) without setoff, condition, or qualification of any nature. The Association shall accept any and all transfer of permits from the Declarant, Builders, or any other permittee, of any permit required by a governmental agency in connection with the development of TWIN CREEKS, as modified and/or amended. The Association shall cooperate with the Declarant, Builders, or any other permittee of such permits, as modified and/or amended, with any applications, certifications, documents or consents required to effectuate any such transfer of permits to the Association. THE COMMON AREAS, PERSONAL PROPERTY AND EQUIPMENT THEREON AND APPURTENANCES THERETO SHALL BE CONVEYED TO THE ASSOCIATION IN "AS IS, WHERE IS" CONDITION WITHOUT ANY REPRESENTATION OR WARRANTY, EXPRESSED OR IMPLIED, IN FACT OR BY LAW, AS TO THE CONDITION, FITNESS OR MERCHANTABILITY OF THE COMMON AREAS BEING CONVEYED. Notwithstanding the foregoing, any such conveyance or encumbrance of such Common Areas is subject to an irrevocable ingress and egress easement in favor of each Owner and Builder granting access to their respective Lots.

9.4.2 Common Area Reservations. Each deed of the Common Areas shall be subject to the following provisions:

9.4.2.1 a perpetual nonexclusive easement in favor of governmental agencies for the maintenance and repair of existing road, speed and directional signs, if any;

9.4.2.2 matters reflected on the Plat;

THIS IS NOT A CERTIFIED COPY

9.4.2.3 perpetual non-exclusive easements in favor of the Declarant, its successors, and assigns in, to, upon and over all of the Common Areas for the purposes of vehicular and pedestrian ingress and egress, installation of improvements, utilities, landscaping and/or drainage, without charge, including, without limitation, the right to use such roadways for construction vehicles and equipment. These easements shall run in favor of the Declarant, Builders, and its employees, representatives, agents, licensees, guests, invitees, successors and/or assigns;

9.4.2.4 all restrictions, easements, covenants and other matters of record;

9.4.2.5 in the event the Association believes that the Declarant shall have failed in any respect to meet the Declarant's obligations under this Declaration or has failed to comply with any of the Declarant's obligations under law, or the Common Areas conveyed herein are defective in any respect, the Association shall give written notice to the Declarant detailing the alleged failure or defect. Once the Association has given written notice to the Declarant pursuant to this Section, the Association shall be obligated to permit the Declarant and their agents to perform inspections of the Common Areas and to perform all tests and make all repairs/replacements deemed necessary by the Declarant to respond to such notice at all reasonable times. The Association agrees that any inspection, test and/or repair/replacement scheduled on a business day between 9 a.m. and 5 p.m. shall be deemed scheduled at a reasonable time. The rights reserved in this Section include the right of the Declarant to repair or address, in the Declarant's sole option and expense, any aspect of the Common Areas deemed defective by the Declarant during its inspections of the Common Areas. The Association's failure to give the notice and/or otherwise comply with the provisions of this Section will damage the Declarant; and

9.4.2.6 a reservation of right in favor of the Declarant (so long as the Declarant owns any portion of TWIN CREEKS) to require the Association re-convey all or a portion of the Common Areas by Quitclaim Deed in favor of the Declarant in the event that such property is required to be owned by the Declarant for any purpose, including, without limitation, the reconfiguration of any adjacent property by replatting or otherwise. To the extent legally required, each Owner shall be deemed to have granted to the Declarant, and thereafter the Association, an irrevocable power of attorney, coupled with an interest, for the purposes herein expressed.

9.5 Operation After Conveyance. Subject to the Association's right to grant easements and other interests as provided herein, the Association may not convey, abandon, alienate, encumber, or transfer all or a portion of the Common Areas to a third party without (i) if prior to the Turnover, the approval of (a) a majority of the Board; and (b) the consent of the Declarant and Builders, or (ii) from and after the Turnover, approval of (x) a majority of the Board; and (y) fifty-one percent (51%) of the Voting Interests present (in person or by proxy) at a duly noticed meeting of the members.

9.6 Paved and Concrete Common Areas. The Common Areas may contain certain paved or concrete areas. Without limiting any other provision of this Declaration, the Association is responsible for the maintenance, repair and/or resurfacing of all paved and concrete surfaces forming a part of the Common Areas, including, but not limited to, parking areas, pathways, bicycle paths, and sidewalks (if any), subject to Section 11.5 hereof. Although pavement appears to be a durable material, it requires maintenance. The Association shall have the right, but not the obligation, to arrange for periodic inspections of all paved and concrete surfaces forming a part of the Common Areas by a licensed contractor and/or engineer. The cost of such inspection shall be a part of the Operating Expenses. The Association shall determine periodically the parameters of the inspection to be performed, if any. Any patching, grading, or other maintenance work should be performed by a company licensed to perform the

work. Most paved or concrete areas within TWIN CREEKS are anticipated to be part of the Facilities under the jurisdiction of the District.

9.7 Delegation. Once conveyed or dedicated to the Association or the District, the Common Areas and improvements located thereon, or the Facilities, as applicable, shall at all times be under the complete supervision, operation, control, and management of the Association or the District, as applicable. Notwithstanding the foregoing, the Association may delegate all or a portion of its obligations hereunder to a licensed manager or professional management company. The Association specifically shall have the right to pay for management services on any basis approved by the Board (including bonuses or special fee arrangements for meeting financial or other goals). Further, in the event that Common Area is created by easement, the Association's obligations and rights with respect to such Common Area may be limited by the terms of the document creating such easement. Likewise, the District may delegate all or a portion of its obligations hereunder to the Association or a licensed manager or professional management company.

9.8 Use.

9.8.1 Nonexclusive Use. The Common Areas shall be used and enjoyed by the Owners and Builders on a non-exclusive basis in common with other persons, entities and corporations (who may, but are not required to be, members of the Association) entitled to use those portions of the Common Areas. Prior to the Community Completion Date, the Declarant, and thereafter, the Association has the right, at any and all times, and from time to time, to further additionally provide and make the Common Areas available to other individuals, persons, firms, or corporations, as it deems appropriate. The granting of such rights shall not invalidate this Declaration, reduce or abate any Owner's obligations pursuant to this Declaration, or give any Owner the right to avoid any of the covenants, agreements or obligations to be performed hereunder.

9.8.2 Right to Allow Use. The Declarant and/or the Association may enter into easement agreements or other use or possession agreements whereby the Owners, Telecommunications Providers, the Association and/or others may obtain the use, possession of, or other rights regarding certain property, on an exclusive or non-exclusive basis, for certain specified purposes. The Association may agree to maintain and pay the taxes, insurance, administration, upkeep, repair, and replacement of such property, the expenses of which shall be Operating Expenses. Any such agreement by the Association prior to the Community Completion Date shall require the prior written consent of the Declarant. Thereafter, any such agreement shall require the approval of the majority of the Board, which consent shall not be unreasonably withheld or delayed.

9.8.3 Retention/Detention Areas. NEITHER THE DECLARANT, THE DISTRICT NOR THE ASSOCIATION MAKE ANY REPRESENTATION CONCERNING THE CURRENT OR FUTURE WATER LEVELS IN ANY OF THE RETENTION/DETENTION AREAS IN TWIN CREEKS; PROVIDED, FURTHER, NEITHER THE DECLARANT, THE DISTRICT NOR THE ASSOCIATION BEAR ANY RESPONSIBILITY TO ATTEMPT TO ADJUST OR MODIFY THE WATER LEVELS SINCE SUCH LEVELS ARE SUBJECT TO SEASONAL GROUNDWATER AND RAINFALL FLUCTUATIONS THAT ARE BEYOND THE CONTROL OF THE DECLARANT, THE DISTRICT AND THE ASSOCIATION. BY ACCEPTANCE OF A DEED TO A HOME OR LOT, EACH OWNER ACKNOWLEDGES THE WATER LEVELS OF ALL RETENTION/DETENTION AREAS MAY VARY. THERE IS NO GUARANTEE BY THE DECLARANT, THE DISTRICT OR THE ASSOCIATION THAT WATER LEVELS OR RETENTION/DETENTION AREAS WILL BE CONSTANT OR AESTHETICALLY PLEASING AT ANY PARTICULAR TIME; AT TIMES, WATER LEVELS MAY BE NONEXISTENT. THE DECLARANT, THE DISTRICT AND THE ASSOCIATION SHALL NOT BE OBLIGATED TO

ERECT FENCES, GATES, OR WALLS AROUND OR ADJACENT TO ANY
RETENTION/DETENTION AREAS WITHIN TWIN CREEKS.

9.8.4 Obstruction of Common Areas/Facilities. No portion of the Common Areas or Facilities, as applicable, may be obstructed, encumbered, or used by Owners for any purpose other than as permitted by the Association or the District.

9.8.5 Assumption of Risk. Without limiting any other provision herein, each Owner accepts and assumes all risk and responsibility for noise, liability, injury, or damage connected with use or occupancy of any portion of such Common Areas or Facilities, as applicable, including, without limitation: (i) noise from maintenance equipment; (ii) use of pesticides, herbicides and fertilizers; (iii) view restrictions and impairment caused by the construction of any structures and/or the maturation of trees and shrubbery; (iv) reduction in privacy caused by the removal or pruning of shrubbery or trees within TWIN CREEKS; and (v) design of any portion of TWIN CREEKS. Each Owner also expressly indemnifies and agrees to hold harmless the Declarant, Builders and the Association, and all employees, directors, representatives, officers, agents and partners of the foregoing, from any and all damages, whether direct or consequential, arising from or related to the person's use of the Common Areas and/or Facilities, including attorneys' fees, paraprofessional fees and costs at trial and upon appeal. Without limiting the foregoing, all persons using the Common Areas and/or Facilities do so at their own risk. BY ACCEPTANCE OF A DEED TO THEIR LOT, EACH OWNER ACKNOWLEDGES THE COMMON AREAS AND/OR FACILITIES, AND AREAS IN THE VICINITY OF THE COMMON AREAS, MAY CONTAIN WILDLIFE SUCH AS, BUT NOT LIMITED TO, INSECTS, ALLIGATORS, COYOTES, RACCOONS, SNAKES, DUCKS, DEER, SWINE, TURKEYS AND FOXES. THE DECLARANT, BUILDERS AND THE ASSOCIATION SHALL HAVE NO RESPONSIBILITY FOR MONITORING SUCH WILDLIFE OR NOTIFYING OWNERS OR OTHER PERSONS OF THE PRESENCE OF SUCH WILDLIFE. EACH OWNER AND HIS OR HER LESSEES, GUESTS AND INVITEES ARE RESPONSIBLE FOR THEIR OWN SAFETY.

9.8.6 Owners' Obligation to Indemnify. Each Owner agrees to indemnify and hold harmless the Declarant, the District, Builders, the Association, and their officers, partners, agents, employees, affiliates, directors and attorneys (collectively, "**Indemnified Parties**") against all actions, injury, claims, loss, liability, damages, costs and expenses of any kind or nature whatsoever ("**Losses**") incurred by or asserted against any of the Indemnified Parties from and after the date hereof, whether direct, indirect, or consequential, as a result of or in any way related to the Common Areas or Facilities, including, without limitation, use of the retention/detention areas within TWIN CREEKS by Owners, and their Lessees, guests, family members, invitees, or agents. Should any Owner bring suit against the Declarant, District, Builders, the Association, or any of the Indemnified Parties for any claim or matter and fail to obtain judgment therein against such Indemnified Parties, such Owner shall be liable to such parties for all Losses, costs and expenses incurred by the Indemnified Parties in the defense of such suit, including attorneys' fees and paraprofessional fees at trial and upon appeal.

9.9 Rules and Regulations.

9.9.1 Generally. Prior to the Turnover, the Declarant, and thereafter the Association, shall have the right to adopt Rules and Regulations governing the use of the Common Areas and Facilities. The Rules and Regulations need not be recorded in the Public Records. The Common Areas and Facilities shall be used in accordance with this Declaration and Rules and Regulations promulgated hereunder. The Association shall have the right to adopt and enforce Rules and Regulations applicable to the Facilities and shall have the right to take enforcement action against any Owner to compel compliance with the Rules and Regulations whether they apply to the Common Areas or to the Facilities.

9.9.2 The Declarant and Builders Not Subject to Rules and Regulations.

Notwithstanding any other provision in this Declaration to the contrary, the Rules and Regulations shall not apply to the Declarant and/or Builders or to any property owned by the Declarant and/or Builders, and shall not be applied in a manner that would prohibit or restrict the development or operation of TWIN CREEKS or adversely affect the interests of the Declarant and/or Builders. Without limiting the foregoing, the Declarant, Builders and/or their agents, contractors and assigns, shall have the right to: (i) develop and construct Lots, Homes, Common Areas and related improvements within TWIN CREEKS, and make any additions, alterations, improvements, or changes thereto; (ii) maintain sales offices (for the sale and re-sale of (a) Lots and Homes and (b) residences and properties located outside of TWIN CREEKS), general offices and construction operations within TWIN CREEKS; (iii) place, erect or construct portable, temporary or accessory buildings or structures within TWIN CREEKS for sales, construction storage or other purposes; (iv) temporarily deposit, dump or accumulate materials, trash, refuse and rubbish in connection with the development or construction of any portion of TWIN CREEKS; (v) post, display, inscribe or affix to the exterior of any portion of the Common Areas or Facilities, signs and other materials used in developing, constructing, selling or promoting the sale of any portion TWIN CREEKS, including, without limitation, Lots, Parcels and Homes; (vi) excavate fill from any lakes or waterways within and/or contiguous to TWIN CREEKS, if any, by dredge or dragline, store fill within TWIN CREEKS and remove and/or sell excess fill; and grow or store plants and trees within, or contiguous to, TWIN CREEKS and use and/or sell excess plants and trees; and (vii) undertake all activities which, in the sole opinion of the Declarant and/or Builders, are necessary or convenient for the development and sale of any lands and improvements comprising TWIN CREEKS.

9.10 Public Facilities. TWIN CREEKS may include one or more public facilities. All roadways within TWIN CREEKS shall be public roadways maintained by the County and shall not be maintained by the Association or the District. Also, a lift station dedicated to the County as part of the waste water treatment system shall be located within the boundaries of TWIN CREEKS. THE ROADWAYS WITHIN, ADJACENT OR IN PROXIMITY TO TWIN CREEKS ARE PART OF THE PUBLIC SYSTEM OF ROADWAYS. EACH OWNER BY THE ACCEPTANCE OF A DEED TO THEIR LOT ACKNOWLEDGES AND AGREES THAT THE ASSOCIATION, THE CDD AND THE DECLARANT HAVE NO CONTROL WITH REGARD TO ACCESS AND USAGE OF SUCH ROADWAYS BY THE GENERAL PUBLIC.

9.11 Default by Owners. No default by any Owner in the performance of the covenants and promises contained in this Declaration shall be construed or considered (i) a breach by the Declarant or the Association of any of their promises or covenants in this Declaration; (ii) an actual, implied or constructive dispossession of another Owner from the Common Areas or Facilities; or (iii) an excuse, justification, waiver or indulgence of the covenants and promises contained in this Declaration.

9.12 Special Taxing Districts. For as long as the Declarant controls the Association, the Declarant shall have the right, but not the obligation, to dedicate or transfer or cause the dedication or transfer of all or portions of the Common Areas of TWIN CREEKS to a special taxing district, or a public agency or authority under such terms as the Declarant deems appropriate in order to create or contract with special taxing districts and community development districts (or others) for lighting, perimeter walls, fences, entrance features, roads, landscaping, irrigation areas, ponds, surface water management systems, wetlands mitigation areas, parks, recreational or other services, security or communications, or other similar purposes deemed appropriate by the Declarant, including, without limitation, the maintenance and/or operation of any of the foregoing. As hereinafter provided, the Declarant may sign any taxing district petition as attorney-in-fact for each Owner. Each Owner's obligation to pay taxes associated with such district shall be in addition to such Owner's obligation to pay Assessments. Any special taxing district shall be created pursuant to all applicable ordinances of County and all other applicable governing entities having jurisdiction with respect to the same.

9.13 Association's Obligation to Indemnify. The Association and Owners each covenant and agree jointly and severally to indemnify, defend and hold harmless the Declarant, Builders, their officers, directors, shareholders, and any related persons or corporations and their employees from and against any and all claims, suits, actions, causes of action or damages arising from any personal injury, loss of life, or damage to property, sustained on or about the Common Areas and/or Facilities, or other property serving the Association, and improvements thereon, or resulting from or arising out of activities or operations of the Association or Owners, and from and against all costs, expenses, court costs, attorneys' fees and paraprofessional fees (including, but not limited to, all trial and appellate levels and whether or not suit be instituted), expenses and liabilities incurred or arising from any such claim, the investigation thereof, or the defense of any action or proceedings brought thereon, and from and against any orders, judgments or decrees which may be entered relating thereto. The costs and expense of fulfilling this covenant of indemnification shall be Operating Expenses to the extent such matters are not covered by insurance maintained by the Association.

9.14 Recreational Facilities.

9.14.1 General Restrictions. Each Owner, Immediate Family Member and other person entitled to use the Recreational Facilities shall comply with following general restrictions:

9.14.1.1 Minors. Minors are permitted to use the Recreational Facilities; provided, however, parents are responsible for the actions and safety of such minors and any damages caused by such minors. The Association may adopt reasonable rules and regulations from time to time governing minors' use of the Recreational Facilities, including without limitation, requirements that minors be accompanied by adults while using the Recreational Facilities. Children under the age of fourteen (14) shall be accompanied by an adult at all times during which such minor child is using the community pool. No children wearing diapers shall be permitted in the community pool.

9.14.1.2 Responsibility for Personal Property and Persons. Each Owner assumes sole responsibility for the health, safety and welfare of such Owner, his or her Immediate Family Members and guests, and the personal property of all of the foregoing, and each Owner shall not allow any damage the Recreational Facilities or interfere with the rights of other Owners hereunder. Neither the Declarant nor the Association shall be responsible for any loss or damage to any private property used, placed or stored on the Recreational Facilities. Further, any person entering the Recreational Facilities assumes all risk of loss with respect to his or her equipment, jewelry or other possessions, including without limitation, wallets, books and clothing left in the pool and clubhouse area.

9.14.1.3 Activities. Any Owner, Immediate Family Member, guest or other person who, in any manner, makes use of the Recreational Facilities, or who engages in any contest, game, function, exercise, competition or other activity operated, organized, arranged or sponsored either on or off the Recreational Facilities, shall do so at their own risk. Every Owner shall be liable for any property damage and/or personal injury at the Recreational Facilities, caused by any Owner, Immediate Family Member or guest. No Owner may use the Recreational Facilities for any society, party, religious, political, charitable, fraternal, civil, fund-raising or other purposes without the prior written consent of the Association, which consent may be withheld for any reason.

9.14.3 Indemnification of Declarant and the Association. By the use of the Recreational Facilities, each Owner, Immediate Family Member and guest agrees to indemnify and hold harmless the Declarant and the Association, their officers, partners, agents, employees, affiliates, directors and attorneys (collectively, "**Indemnified Parties**") against all actions, injury, claims, loss, liability, damages, costs and expenses of any kind or nature whatsoever ("**Losses**") incurred by or asserted against any of the Indemnified Parties from and after the date hereof, whether direct, indirect, or consequential, as a result of or in any way related to use of the Recreational Facilities by Owners, Immediate Family Members and their guests and/or from any act or omission of the any of the Indemnified Parties. 9.14.5 Basis for Suspension. The rights of an Owner to use the Recreational Facilities may be suspended by the Association if, in the sole judgment of the Association:

9.14.5.1 such person is not an Owner or a Lessee;

9.14.5.2 the Owner, an Immediate Family Member, a guest or other person for whom a Owner is responsible violates one or more of the Association's Rules and Regulations;

9.14.5.3 an Owner and/or guest has injured, harmed or threatened to injure or harm any person within the Recreational Facilities, or harmed, destroyed or stolen any personal property within the Recreational Facilities, whether belonging to an Owner, third party or to the Association; or

9.14.5.4 an Owner fails to pay Assessments due.

9.14.6 Types of Suspension. The Association may restrict or suspend, for cause or causes described herein, any Owner's privileges to use any or all of the Recreational Facilities. By way of example, and not as a limitation, the Association may suspend a Lessee's privileges to use any or all of the Recreational Facilities if such Lessee's Owner fails to pay Assessments due in connection with a leased Home. In addition, the Association may suspend the rights of a particular Owner (and/or Immediate Family Member) or prohibit an Owner (and/or Immediate Family Member) from using a portion of the Recreational Facilities. No Owner whose privileges have been fully or partially suspended shall, on account of any such restriction or suspension, be entitled to any refund or abatement of Assessments or any other fees. During the restriction or suspension, Assessments shall continue to accrue and be payable each month. Under no circumstance will an Owner be reinstated until all Assessments and other amounts due to the Association are paid in full. Any suspension of an Owner's or Lessee's rights to use the Recreational Facilities shall be imposed upon delivery of fourteen (14) days' notice to such Owner or Lessee and an opportunity for a hearing before a committee of the Board which is comprised of three (3) members who are not officers, directors, or employees of the Association, or the spouse, parent child, brother, or sister of an officer, director, or employee of the Association. Such suspension may not be imposed without the approval of a majority of the members of such committee. If the Association imposes a suspension, the Association must provide written notice of such suspension by mail or hand delivery to the Owner or Lessee.

10. Maintenance by the Association.

10.1 Common Areas. Except as otherwise specifically provided in this Declaration to the contrary, the Association shall at all times maintain, repair, replace and insure the Common Areas, including all improvements placed thereon.

10.2 Landscape Maintenance. Notwithstanding any other provision of this Declaration to the contrary, the Association shall have no responsibility for the maintenance of landscaped areas within any Lot, including, without limitation, sod, irrigation, yards, grass, shrubs, trees, mulch, or any other landscaping. The record title owner of each such Lot shall be responsible for the repair, replacement and maintenance of the irrigation facilities and all landscaped areas and other improvements within any portion of the Lot. Any such repair, replacement and maintenance shall be consistent with the Landscape Maintenance Standards set forth in this Declaration.

10.3 Adjoining Areas. Except as otherwise provided herein, the Association shall maintain those drainage areas, swales, water body slopes and banks, and landscape areas that are within the Common Areas; provided, that, such areas are readily accessible to the Association. The Association shall have no responsibility for the Facilities except and to the extent provided in any agreement between the Association and the District. Under no circumstances shall the Association be responsible for maintaining any inaccessible areas within fences or walls that form a part of a Lot.

10.4 Negligence. The expense of any maintenance, repair or construction of any portion of the Common Areas, Facilities or any Lot necessitated by the negligent or willful acts of an Owner or persons utilizing the Common Areas or Facilities through or under an Owner, shall be borne solely by such Owner and the Lot owned by such Owner shall be subject to an Individual Assessment for that expense. By way of example, and not of limitation, an Owner shall be responsible for the removal of all landscaping and structures placed within easements or Common Areas or Facilities without the prior written approval of the Association or District, as applicable. Further, an Owner shall be responsible for all costs of maintenance, repair or construction of any portion of the drainage facilities located on such Owner's Lot if such maintenance, repair or construction is necessitated by the negligent or willful acts of an Owner or such Owner's Lessees, guests, or invitees.

10.5 Right of Entry. The Declarant, Builders and the Association are granted a perpetual and irrevocable easement over, under and across all of TWIN CREEKS for the purposes herein expressed, including, without limitation, for inspections to ascertain compliance with the provisions of this Declaration, and for the performance of any maintenance, alteration or repair which they are entitled to perform. Without limiting the foregoing, the Declarant, for itself and on behalf of Builders, specifically reserves easements for all purposes necessary to comply with any governmental requirement or to satisfy any condition that is a prerequisite for a governmental approval. By way of example, and not of limitation, the Declarant or a Builder, as applicable, may construct, maintain, repair, alter, replace and/or remove improvements, install landscaping, install utilities, and/or remove structures on any portion of TWIN CREEKS if the Declarant or such Builder, as applicable, is required to do so in order to obtain the release of any bond posted with any governmental agency.

10.6 Maintenance of Property Owned by Others. The Association shall, if designated by the Declarant (or by the Board after the Community Completion Date) maintain vegetation, landscaping, irrigation systems, community identification/features, infrastructure, and/or other areas or elements designated by the Declarant (or by the Board after the Community Completion Date) upon areas that are within or outside of TWIN CREEKS. Such areas may abut, or be proximate to, TWIN CREEKS, and may be owned by, or be dedicated to, others including, but not limited to, a utility, governmental or quasi-governmental entity or a property owners association. These areas may include (for example and not limitation) parks, swale areas, landscape buffer areas, berm areas or median areas within the right-of-way of public streets, roads, drainage areas, community identification or entrance features, community signage or other identification. The Association shall have the right to enter into new agreements or

arrangements from time to time for improvements and facilities serving the members of the Association or to amend the foregoing if the Board deems the same reasonable and appropriate for the continued use and benefit of any part of the Common Areas.

10.7 Right-of-Way. Except as otherwise maintained by the County or the CDD, the Association shall be responsible for the costs, charges and expenses incurred in connection with maintenance of the trees and landscaping located in the public right-of-way adjacent to any Common Areas; however, the Association shall not be responsible for replacement of any such trees or landscaping. Each Owner agrees to reimburse the Association any expense incurred in repairing any damage to trees or landscaping caused by such Owner's negligent or willful acts. Failure of an Owner to reimburse the Association any costs necessitated by the negligent or willful acts of an Owner shall subject the Owner to an Individual Assessment for such costs. The cost associated with any such maintenance of the trees and landscaping located in the public right-of-way adjacent to any Common Areas shall be part of the Operating Expenses. Notwithstanding anything contained in this Section to the contrary, each Owner shall be responsible for the maintenance of all landscaping in public right-of-ways adjacent to such Owner's Lot.

10.8 District Facilities. The District may contract with the Association for the maintenance, repair, replacement, management, and operation of the Facilities in the District's sole and absolute discretion and subject to any written agreement accepted by the Association.

11. Maintenance by Owners. All Lots and Homes, including, without limitation, all lawns, landscaping, irrigation systems, driveways, walkways and any property, structures, improvements and appurtenances not maintained by the Association, shall be well maintained and kept in first class, good, safe, clean, neat and attractive condition consistent with the general appearance of TWIN CREEKS by the record title owner of the applicable Lot. Each Owner is specifically responsible for maintaining all grass, landscaping, improvements and paved surfaces within any portion of a Lot. No tree installed by the Declarant or a Builder on any Lot shall be felled, removed, or cut down unless such tree represents a hazard to the Home or other improvements on the Lot, or to persons occupying or utilizing TWIN CREEKS. If any such tree dies, such tree shall be replaced by the Owner of the Lot upon which the tree was located, at the Owner's expense, by a similar tree of similar size in diameter, unless otherwise approved by the ACC. No other objects or landscaping may be installed in place of any such trees. In the event Lots and Homes are not maintained by the record title owner of the Lot in accordance with the requirements of this Section 11, the Association may, but shall not be obligated to, perform the maintenance obligations on behalf of the Owner.

11.1 Right of the Association to Enforce. The Declarant hereby grants the Association an easement over each Lot for the purpose of ensuring compliance with the requirements of this Section 11. In the event an Owner does not comply with this Section 11, the Association may perform the necessary maintenance and charge the costs thereof to the non-complying Owner as an Individual Assessment. The Association shall have the right to enforce this Section 11 by all necessary legal action. In the event the Association is the prevailing party with respect to any litigation respecting the enforcement of compliance with this Section 11, it shall be entitled to recover all of its attorneys' fees and paraprofessional fees, and costs, at trial and upon appeal.

11.2 Landscape Maintenance Standards. The following maintenance standards (the "**Landscape Maintenance Standards**") apply to landscaping within all Lots:

11.2.1 Trees. Trees are to be pruned as needed and maintained in a safe and appropriate manner, with the canopy no lower than eight feet (8') from the ground.

11.2.2 Shrubs. All shrubs are to be trimmed as needed and maintained in a neat and appropriate manner.

THIS IS NOT A CERTIFIED COPY

11.2.3 Grass.

11.2.3.1 Cutting Schedule. Grass shall be maintained in a neat and appropriate manner. In no event shall lawns within any Lot be in excess of five inches (5") in height.

11.2.3.2 Edging. Edging of all streets, curbs, beds and borders shall be performed as needed. Chemical edging shall not be permitted.

11.2.3.3 St. Augustine Grass. Subject to applicable law, only St. Augustine grass (i.e. Floratam or a similar variety) is permitted in the front yards and side yards, including side yards facing a street.

11.2.4 Mulch. Mulch shall be replenished as needed on a yearly basis.

11.2.5 Insect Control and Disease. Insect control and disease shall be performed on an as needed basis. Failure to do so could result in additional liability if the disease and insect spread to neighboring Lots and Common Areas. Dead grass shall be removed and replaced within thirty (30) days of dying. If the County code or SWFWMD regulations require Bahia grass in the rear yards, it shall remain as Bahia and if it dies, may only be replaced with Bahia.

11.2.6 Fertilization. Fertilization of all turf, trees, shrubs, and palms shall be performed according to Best Management Practices as provided by the County Extension Service (if any) or The University of Florida IFAS Extension.

11.2.7 Irrigation. Every Owner shall be required to irrigate the grass and landscaping located on their Lot in a routine and ordinary manner, as may be permitted by SWFWMD and/or County regulations, and shall ensure that sufficient irrigation occurs during all periods when the Owner is absent from the Lot. Watering and irrigation, including the maintenance, repair and replacement of irrigation facilities and components, will be the sole responsibility of the record title Owner of the respective Lot. Sprinkler heads shall be maintained on a monthly basis. Water spray from sprinklers shall not extend beyond any property line of the respective Lot. Lots shall be consistently irrigated to maintain a green and healthy lawn at all times. Automatic sprinkler systems shall not cause water to run onto neighboring Lots, walkways, streets or the like and shall include a timing system to limit hours of operation. All components of the irrigation system, clock, pump stations and valves shall be checked as needed by an independent contractor to assure proper automatic operation.

11.2.8 Weeding. All beds are to be weeded upon every cut. Weeds growing in joints in curbs, driveways, and expansion joints shall be removed as needed. Chemical treatment is permitted.

11.2.9 Trash Removal. Dirt, trash, plant and tree cuttings and debris resulting from all operations shall be removed and all areas left in clean condition before the end of the day.

11.3 Modification of Landscaped Areas. Without the prior written consent of the ACC, no sod, topsoil, tree or shrubbery shall be removed from TWIN CREEKS and there shall be no change in the plant landscaping, elevation, condition of the soil or the level of the land of such areas which results in any change in the flow and drainage of surface water which the ACC, in its sole discretion, considers detrimental or potentially detrimental to person or property. Notwithstanding the foregoing, Owners who install improvements to the Lot (including, without limitation, concrete or brick pavers) that result in any change in the flow and/or drainage of surface water shall be responsible for all of the costs of drainage problems resulting from such improvement. Further, in the event that such Owner fails to pay for such required repairs, each Owner agrees to reimburse the Association for all expenses incurred in fixing such

THIS IS NOT A CERTIFIED COPY

drainage problems including, without limitation, removing excess water and/or repairing the SWMS. No landscape lighting shall be installed by an Owner without the prior written approval of the ACC.

11.4 Weeds and Refuse. No weeds, underbrush, or other unsightly growth shall be permitted to be grown or remain upon any Lot. No refuse or unsightly objects shall be allowed to be placed or allowed to remain upon any Lot.

11.5 Paved and Concrete Surfaces. Each Owner shall be responsible to timely repair, maintain and/or replace the driveways, walkways, sidewalks, including, without limitation, any brick pavers, and other paved and concrete surfaces comprising part of a Lot. In the event the County or any of its subdivisions, agencies, and/or divisions must remove any portion of the paved or concrete surfaces located within an Owner's Lot for the installation, repair, replacement or maintenance of utilities, then the Owner of the applicable Lot will be responsible to replace or repair the paved or concrete surfaces at such Owner's expense. In the event an Owner does not comply with this Section 11.5, the Association may, but shall not be obligated to, perform the necessary maintenance and charge the costs thereof to the non-complying Owner as an Individual Assessment. Further, each Owner agrees to reimburse the Association for any expense incurred by the Association in connection with any damage to any sidewalk or walkway caused by such Owner's negligence.

11.6 Water Intrusion. Florida experiences heavy rainfall and humidity on a regular basis. Each Owner is responsible for making sure his or her Home remains watertight including, without limitation, checking caulking around windows and seals on doors. Each Owner acknowledges that running air conditioning machinery with windows and/or doors open in humid conditions can result in condensation, mold and/or water intrusion. The Declarant, Builders and the Association shall not have liability under such circumstances for any damage or loss that an Owner may incur in the event an Owner fails to maintain their Home. FURTHER, GIVEN THE CLIMATE AND HUMID CONDITIONS IN FLORIDA, MOLDS, MILDEW, TOXINS AND FUNGI MAY EXIST AND/OR DEVELOP WITHIN HOMES. EACH OWNER IS HEREBY ADVISED THAT CERTAIN MOLDS, MILDEW, TOXINS AND/OR FUNGI MAY BE, OR IF ALLOWED TO REMAIN FOR A SUFFICIENT PERIOD MAY BECOME, TOXIC AND POTENTIALLY POSE A HEALTH RISK. BY ACQUIRING TITLE TO A HOME AND/OR LOT, EACH OWNER, SHALL BE DEEMED TO HAVE ASSUMED THE RISKS ASSOCIATED WITH MOLDS, MILDEW, TOXINS AND/OR FUNGI AND TO HAVE RELEASED THE DECLARANT FROM ANY AND ALL LIABILITY RESULTING FROM SAME.

11.7 Lot Walls/Fences. Each wall or fence installed by Declarant or Builders, any part of which is placed on a dividing line between separate Lots, shall constitute a "Lot Wall/Fence." Each adjoining Owner's obligation with respect to Lot Walls/Fences shall be determined by this Declaration, except as otherwise required by Florida law.

11.7.1 Sharing Repair and Maintenance. Each Owner shall maintain the exterior surface of a Lot Wall/Fence facing his Lot. Except as provided in this Section 11.7, the cost of reasonable repair shall be shared equally by adjoining Lot Owners.

11.7.2 Damage by One Owner. If a Lot Wall/Fence is damaged or destroyed by the act of one adjoining Owner, or his guests, tenants, licensees, agents or family members (whether or not such act is negligent or otherwise culpable), then that Owner shall immediately rebuild or repair the Lot Wall/Fence to its prior condition without cost to the adjoining Owner and shall indemnify the adjoining Owner from any consequential damages, loss or liabilities. No Owner shall violate any of the following restrictions and any damage (whether cosmetic or structural) resulting from violation of any of the following restrictions shall be considered caused by the Owner causing such action or allowing such action to occur on such Owner's Lot:

11.7.2.1 No Owner shall allow sprinklers to spray or other water sources to deliver water within one foot (1') of any Lot Wall/Fence, excluding rainfall that falls directly

THIS IS NOT A CERTIFIED COPY

on such area (i.e. an Owner shall not collect rainfall from other portions of the Lot and deliver it within one foot (1') of any Lot Wall/Fence);

11.7.2.2 No Owner shall allow any tree to grow within six feet (6') of any Lot Wall/Fence (with such distance measured from the above-ground part of the tree that is nearest to the Lot Wall/Fence within five feet (5') of the ground level of the tree, including any portion of the root system that is not completely covered by soil);

11.7.2.3 No Owner shall allow attachment of anything, including but not limited to any climbing plant or vine, to any wall; and

11.7.2.4 No Owner shall allow water to be provided by sprinkler, hose, hand delivery or otherwise to any plant located within five feet (5') of any Lot Wall/Fence; provided, however, Owners are permitted to allow water delivery to any plant located within one foot (1') of any Lot Wall/Fence if the method of such delivery is either by drip line or by spray facing in a direction away from the Lot Wall/Fence.

11.7.3 Other Damage. If a Lot Wall/Fence is damaged or destroyed by any cause other than the act of one of the adjoining Owners, his agents, tenants, licensees, guests or family members (including ordinary wear and tear and deterioration from lapse of time), then the adjoining Owners shall rebuild or repair the Lot Wall/Fence to its prior condition, equally sharing the expense; provided, however, that if a Lot Wall/Fence is damaged or destroyed as a result of an accident or circumstances that originate or occur on a particular Lot (whether or not such accident or circumstance is caused by the action or inaction of the Owner of that Lot, or his agents, tenants, licensees, guests or family members) then in such event, the Owner of that particular Lot shall be solely responsible for the cost of rebuilding or repairing the Lot Wall/Fence and shall immediately repair the Lot Wall/Fence to its prior condition.

11.7.4 Right of Entry. Each Owner shall permit the Owners of adjoining Lots, or their representatives, to enter his Lot for the purpose of installations, alteration, or repairs to a Lot Wall/Fence on the Lot of such adjoining Owners, provided that other than for emergencies, requests for entry are made in advance and that such entry is at a time reasonably convenient to the Owner of the adjoining Lot. An adjoining Owner making entry pursuant to this Section shall not be deemed guilty of trespassing by reason of such entry. Such entering Owner shall indemnify the adjoining Owner from any consequential damages sustained by reason of such entry.

11.7.5 Right of Contribution. The right of any Owner to contribution from any other Owner under this Section 11.7 shall be appurtenant to the land and shall pass to such Owner's successors in title.

11.7.6 Consent of Adjoining Owner. In addition to meeting the requirements of this Declaration and of any applicable building code and similar regulations or ordinances, any Owner proposing to modify, alter, make additions to or rebuild the Lot Walls/Fences (other than rebuilding in a manner materially consistent with the previously existing Lot Walls/Fences) shall first obtain the written consent of the adjoining Owner, which shall not be unreasonably withheld, delayed or conditioned.

11.8 Water Mains. In the event the County or any of its subdivisions, agencies, and/or divisions must remove any portion of an Owner's driveway, then the Owner of such driveway shall be responsible to replace or repair the driveway at such Owner's expense, if such expenses are not paid for by the County. In the event an Owner does not comply with this Section 11.8, the Association may, but shall not be obligated to, perform the necessary maintenance and charge the costs thereof to the non-complying Owner as an Individual Assessment. In the event that the Association is the prevailing party

THIS IS NOT A CERTIFIED COPY

with respect to any litigation respecting the enforcement of compliance with this Section 11.8, it shall be entitled to recover all of its attorneys' fees and paraprofessional fees, and costs, at trial and upon appeal. Each Owner grants the Association an easement over its Lot for the purpose of ensuring compliance with the requirements of this Section 11.8.

11.9 Exterior Home Maintenance. Each Owner is solely responsible for the proper maintenance and cleaning of the exterior walls of his or her Home. Exterior walls are improved with a finish material composed of stucco or cementitious coating (collectively, "**Stucco/Cementitious Finish**"). While Stucco/Cementitious Finish is high in compressive or impact strength, it is not of sufficient tensile strength to resist building movement. It is the nature of Stucco/Cementitious Finish to experience some cracking and it will expand and contract in response to temperature, sometimes creating minor hairline cracks in the outer layer of the stucco application. This is normal behavior and considered a routine maintenance item for the Owner. Each Owner is responsible to inspect the Stucco/Cementitious Finish to the exterior walls for cracking and engage a qualified professional to seal those cracks and repair the affected area. In addition, each Owner is responsible for inspecting the exterior paint and caulk material in the exterior wall system openings (i.e. windows, doors, hose bibs, etc.) for peeling, cracking or separating. If the inspection reveals any such items, the Owner is responsible for engaging a qualified professional to clean, repair, re-caulk and repaint those areas of the Home. Each Owner is responsible for all maintenance and repairs described in this Section 11.9, and they should be completed in a timely fashion to prevent any damage to the Home.

11.10 Public Right-of-Way. Each Owner shall be responsible for the costs, charges and expenses incurred in connection with maintenance of the sidewalk and irrigation facilities located in the public right-of-way adjacent to such Owner's Lot. No tree installed by the Declarant in such public right-of-ways shall be felled, removed, or cut down unless such tree represents an immediate hazard to the Home or other improvements on the Lot, or to persons occupying or utilizing TWIN CREEKS. If any such tree dies, or is removed in accordance with this Section 11.10, then such tree shall be replaced with a similar tree by the Owner of the Lot directly adjacent to where the tree was located at such Owner's expense.

12. Use Restrictions. The following Use Restrictions shall apply to all Lots within TWIN CREEKS, except for any Lots owned by the Declarant or any Builder. Each Owner must comply with the following:

12.1 Alterations and Additions. No material alteration, addition or modification to a Lot or Home, or material change in the appearance thereof, shall be made without the prior written approval thereof being first had and obtained from the ACC as required by this Declaration.

12.2 Animals. No animals of any kind shall be raised, bred or kept within TWIN CREEKS for commercial purposes. Other than swine, poultry, or pets that become a nuisance, Owners may keep domestic pets as permitted by County ordinances and otherwise in accordance with the Rules and Regulations established by the Board from time to time, subject to the Americans with Disabilities Act and the Federal Fair Housing Act. Pets permitted by this Section 12.2 may be kept or harbored in a Home only so long as such pets or animals do not constitute a nuisance. A determination by the Board that an animal or pet kept or harbored in a Home is a nuisance shall be conclusive and binding on all parties. All pets shall be walked on a leash. No pet shall be permitted outside a Home unless such pet is kept on a leash or within an enclosed portion of a Lot. No pet or animal shall be "tied out" on the exterior of the Home or in the Common Areas, or left unattended in a yard or on a balcony, porch, or patio. No dog runs or enclosures shall be permitted on any Lot. When notice of removal of any pet is given by the Board, the pet shall be removed within forty-eight (48) hours of the receipt of such notice. The Owner responsible for a pet shall be responsible for removing from the Common Areas any matter created by the pet and disposing of the same in a sanitary manner. Each Owner shall be responsible for all the activities of its pet.

12.3 Artificial Vegetation. Except as otherwise permitted by Florida law, no artificial grass, plants or other artificial vegetation, or rocks or other landscape devices, shall be placed or maintained upon the exterior portion of any Lot, unless approved by the ACC.

12.4 Automobiles and Vehicles. Notwithstanding any other provision in this Declaration to the contrary, the following restrictions shall not apply to construction vehicles utilized in connection with construction, improvement, installation, or repair by the Declarant, a Builder, or their agents.

12.4.1 Parking. Owners' vehicles shall be parked in the garage or driveway of the respective Owner's Lot and shall not block the sidewalk. No vehicles of any nature shall be parked on any portion of TWIN CREEKS or a Lot except on the surfaced parking area thereof. Vehicles shall not park on the paved or concrete surfaces comprising the Common Area or Facilities, except in designated parking areas, if any. To the extent TWIN CREEKS has any guest parking, Owners are prohibited from parking in such guest parking spaces. No vehicles used in business for the purpose of transporting goods, equipment and the like, shall be parked in TWIN CREEKS except during the period of a delivery of goods or services. ROADWAYS WITHIN TWIN CREEKS SHALL BE PUBLIC ROADWAYS AND SHALL NOT BE MAINTAINED OR REGULATED BY THE ASSOCIATION. EACH OWNER BY THE ACCEPTANCE OF A DEED TO THEIR LOT ACKNOWLEDGES AND AGREES THE ASSOCIATION HAS NO CONTROL WITH REGARD TO ACCESS, PARKING AND USAGE OF SUCH ROADWAYS BY THE GENERAL PUBLIC AND/OR MEMBERS OF THE ASSOCIATION. THE RESPONSIBILITY FOR ENFORCEMENT OF ANY LAWS REGARDING ACCESS, PARKING AND USAGE OF PUBLIC ROADWAYS RESTS SOLELY WITH THE APPLICABLE GOVERNMENTAL AUTHORITY AND THE ASSOCIATION DISCLAIMS RESPONSIBILITY FOR SUCH ENFORCEMENT.

12.4.2 Repairs and Maintenance of Vehicles. No vehicle which cannot operate on its own power shall remain on TWIN CREEKS for more than twelve (12) hours, except in the garage of a Home. No repair or maintenance, except emergency repair, of vehicles shall be made within TWIN CREEKS, except in the garage of a Home. No vehicles shall be stored on blocks. No tarpaulin covers on vehicles shall be permitted anywhere within the public view.

12.4.3 Prohibited Vehicles. No commercial vehicle, limousine, recreational vehicle, all-terrain vehicle, boat (or other watercraft), trailer, including, without limitation, boat trailers, house trailers, mobile homes, and trailers of every other type, kind or description, or camper, may be kept within TWIN CREEKS except in the garage of a Home. The term "commercial vehicle" shall not be deemed to include law enforcement vehicles, utility vehicles (e.g. Broncos, Blazers, Explorers, Navigators, etc.), or clean "non-working" vehicles such as pick-up trucks, vans, or cars if they are used by the Owner on a daily basis for normal transportation; provided, however, vehicles with ladders, racks, and hooks or other such equipment attached to such vehicles shall be "commercial vehicles" prohibited by this Section 12.4. No vehicles displaying commercial advertising shall be parked within the public view. No vehicles bearing a "for sale" sign shall be parked within the public view anywhere within TWIN CREEKS. For any Owner who drives an automobile issued by the County or other governmental entity (e.g. police cars), such automobile shall not be deemed to be a commercial vehicle and may be parked in the garage or driveway of the Lot. No vehicle shall be used as a domicile or residence either temporarily or permanently. No all-terrain vehicles (ATVs), golf carts, scooters or mini motorcycles are permitted at any time on any paved surfaces forming a part of the Common Areas (if any). Additionally, no ATV or mini motorcycle may be parked or stored within TWIN CREEKS, including on any Lot, except in the garage of a Home. Notwithstanding any other provision in this Declaration to the contrary, the foregoing restrictions shall not apply to construction vehicles utilized in connection with construction, improvement, installation, or repair by the Declarant, a Builder, or their agents.

12.4.4 Towing. Subject to applicable laws and ordinances, any vehicle parked in violation of these or other restrictions contained herein or in the Rules and Regulations may be

towed by the Association at the sole expense of the owner of such vehicle if such vehicle remains in violation for a period of twenty-four (24) hours from the time a notice of violation is placed on the vehicle or if such a vehicle was cited for such violation within the preceding fourteen (14) day period. Each Owner by acceptance of title to a Home irrevocably grants the Association and its designated towing service the right to enter a Lot and tow vehicles in violation of this Declaration. Neither the Association nor the towing company shall be liable to the owner of such vehicle for trespass, conversion or otherwise, nor guilty of any criminal act, by reason of such towing or removal and once the notice is posted, neither its removal, nor failure of the owner to receive it for any other reason, shall be grounds for relief of any kind. For purposes of this paragraph, "vehicle" shall also mean campers, mobile homes, trailers, etc. By accepting title to a Home, the Owner provides to the Association the irrevocable right to tow or remove vehicles parked on the Owner's Lot, the Common Areas or the Facilities that are in violation of this Declaration. An affidavit of the person posting the foresaid notice stating it was properly posted shall be conclusive evidence of proper posting. THE ROADWAYS WITHIN TWIN CREEKS ARE PART OF THE PUBLIC SYSTEM OF ROADWAYS. AS SUCH, IN NO EVENT SHALL THE ASSOCIATION BE RESPONSIBLE FOR TOWING VEHICLES PARKED ON THE ROADWAYS WITHIN TWIN CREEKS.

12.5 Casualty Destruction to Improvements. In the event that a Home or other improvement is damaged or destroyed by casualty loss or other loss, then the Owner thereof shall commence to rebuild or repair the damaged Home or improvement in accordance with Section 14.2.2 of this Declaration. As to any such reconstruction of a destroyed Home or improvements, the same shall only be replaced as approved by the ACC. Notwithstanding anything to the contrary herein, to the extent that insurance coverage obtained and maintained by the Association covers such casualty destruction, the Owner of such damaged or destroyed Home shall not perform any activities that would negate such coverage or impair the availability of such coverage.

12.6 Commercial Activity. Except for normal construction activity, sale, and re-sale of a Home, sale or re-sale of other property owned by the Declarant and/or Builders, administrative offices of the Declarant and/or Builders, no commercial or business activity shall be conducted within TWIN CREEKS, including, without limitation, within any Home. Notwithstanding the foregoing, and subject to applicable statutes and ordinances, an Owner may maintain a home business office within a Home for such Owner's personal use; provided, however, business invitees, customers, and clients shall not be permitted to meet with Owners in Homes unless the Board provides otherwise in the Rules and Regulations. No Owner may actively engage in any solicitations for commercial purposes within TWIN CREEKS. No solicitors of a commercial nature shall be allowed within TWIN CREEKS, without the prior written consent of the Association. No day care center, "half-way house," or assisted living facility may be operated out of a Home. No garage sales are permitted, except as permitted by the Association. Prior to the Community Completion Date, the Association shall not permit any garage sales without the prior written consent of the Declarant.

12.7 Completion and Sale of Homes. No person or entity shall interfere with the completion and sale of Homes and/or Lots within TWIN CREEKS by the Declarant and Builders. WITHOUT LIMITING THE FOREGOING, EACH OWNER, BY ACCEPTANCE OF A DEED, AGREES THAT ACTIONS OF OWNERS MAY IMPACT THE VALUE OF HOMES AND/OR LOTS; THEREFORE EACH OWNER IS BENEFITED BY THE FOLLOWING RESTRICTIONS: PICKETING AND POSTING OF NEGATIVE SIGNS IS STRICTLY PROHIBITED IN ORDER TO PRESERVE THE VALUE OF THE HOMES AND/OR LOTS IN TWIN CREEKS AND THE RESIDENTIAL ATMOSPHERE THEREOF.

12.8 Control of Contractors. Except for direct services which may be offered to Owners (and then only according to the Rules and Regulations relating thereto as adopted from time to time), no person other than an the Association officer shall direct, supervise, or in any manner attempt to assert any control over any contractor of the Association.

THIS IS NOT A CERTIFIED COPY

12.9 Cooking. No cooking shall be permitted nor shall any goods or beverages be consumed on the Common Areas, except in areas designated for those purposes by the Association. The Board shall have the right to prohibit or restrict the use of grills or barbecue facilities throughout TWIN CREEKS.

12.10 Decorations. No decorative objects including, but not limited to, birdbaths, light fixtures, sculptures, statues, or weather vanes, or flagpoles shall be installed or placed within or upon any portion of TWIN CREEKS without the prior written approval of the ACC. Notwithstanding the foregoing, holiday lighting and decorations shall be permitted to be placed upon the exterior portions of the Home and upon the Lot in the manner permitted hereunder commencing the week before Thanksgiving and shall be removed not later than January 15th of the following year. The ACC may establish standards for holiday lights and decorations at its sole discretion. The ACC may require the removal of any lighting or decoration that creates a nuisance (e.g. unacceptable spillover to adjacent Home or excessive travel through TWIN CREEKS). Except as otherwise provided in Section 720.304(2)(b), Florida Statutes (2016), and subject to the requirements of such provision, no flag poles are permitted without the prior written approval of the ACC.

12.11 Disputes as to Use. If there is any dispute as to whether the use of any portion of TWIN CREEKS complies with this Declaration, such dispute shall, prior to the Community Completion Date, be decided by the Declarant, and thereafter by the Board. A determination rendered by such party with respect to such dispute shall be final and binding on all persons concerned.

12.12 Drainage System. Drainage systems and facilities, which may be comprised of swales, pipes, retention/detention area slopes, or other improvements (the "Drainage Improvements"), may be part of the Facilities, Common Areas and/or Lots. After Drainage Improvements are installed by the Declarant or a Builder, the maintenance of Drainage Improvements thereafter within the boundary of a Lot shall be the responsibility of the District; however, neither the District nor the Association shall have any responsibility for landscaping maintenance and the Owner of any such Lot shall be responsible for routine maintenance of the lawn and landscaping within such Lots as required by Section 11 of this Declaration. In the event Drainage Improvements are adversely affected by landscaping, fences, structures, or any other improvements (including, without limitation, pavers), the cost to correct, repair, or maintain such Drainage Improvements shall be the responsibility of the record title owner of the Lot that installed such improvements. By way of example, and not of limitation, if the Owner of one Lot plants a tree (pursuant to ACC approval) and the roots of such tree subsequently affect Drainage Improvements within another Lot, the Owner that planted the tree shall be solely responsible for the removal of the roots which adversely affects the adjacent Lot. NOTWITHSTANDING THE FOREGOING, THE ASSOCIATION, THE DISTRICT, BUILDERS AND THE DECLARANT SHALL HAVE NO RESPONSIBILITY OR LIABILITY FOR DRAINAGE PROBLEMS OF ANY TYPE WHATSOEVER.

12.13 Extended Vacation and Absences. In the event a Home will be unoccupied for an extended period, the Home must be prepared prior to departure by: (i) removing all removable furniture, plants and other objects from outside the Home; and (ii) designating a responsible firm or individual to care for the Home, should the Home suffer damage or require attention, and providing a key to that firm or individual. Neither the Association nor the Declarant nor any Builder shall have any responsibility of any nature relating to any unoccupied Home.

12.14 Fences/Walls/Screens. No walls or fences shall be erected or installed without prior written consent of the ACC. No chain link fencing of any kind shall be allowed. Fences shall not be installed flush to the ground so that drainage will be blocked in any way. All fences must be in compliance with the Community Standards. Due to the District's maintenance requirements and responsibilities, the installation of fences within a drainage easement area is not expected to be approved by the ACC. However, in the event a fence is installed within a drainage easement area, with prior written ACC approval, the Owner is solely responsible for fence repair or replacement if the drainage easement area needs to be accessed for repairs. In addition to ACC approval, Owner must obtain, at his or her own cost and expense, an agreement in writing executed by the Association approving such fence, which

agreement may be recorded in the Public Records by the Association in its sole and absolute discretion. All screening and screened enclosures shall have the prior written approval of the ACC and shall be in compliance with the Community Standards. All enclosures of balconies or patios, including addition of vinyl windows, shall be approved by the ACC and all decks shall have the prior written approval of the ACC.

12.15 Fuel Storage. No fuel storage shall be permitted within TWIN CREEKS, except as may be necessary or reasonably used for swimming pools, spas, barbecues, fireplaces or similar devices.

12.16 Garages. No garage shall be converted into a general living area. Garage doors shall remain closed at all times except when vehicular or pedestrian access is required.

12.17 Garbage Cans. Trash collection and disposal procedures established by the Association shall be observed. No outside burning of trash or garbage is permitted. No garbage cans, supplies or other similar articles shall be maintained on any Lot so as to be visible by the general public. Each Owner shall be responsible for properly depositing his or her garbage and trash in garbage cans and trash containers sufficient for pick-up by the appropriate collection agencies in accordance with the requirements of any such agency. All such trash receptacles shall be maintained in a sanitary condition and shall be shielded from the view of adjacent properties and streets. Garbage cans and trash containers shall not be placed outside the Home for pick-up earlier than 7:00 p.m. on the day preceding the pick-up and shall be removed the day of pick-up.

12.18 Hurricane Shutters. Any hurricane shutters or other protective devices visible from outside a Home shall be of a type as approved in writing by the ACC and shall match the color or trim of a Home and be of a neutral color. Panel, accordion and roll-up style hurricane shutters may not be left closed during hurricane season (or at any other time). Any such approved hurricane shutters may be installed or closed up to forty-eight (48) hours prior to the expected arrival of a hurricane and must be removed or opened within seventy-two (72) hours after the end of a hurricane watch or warning or as the Board may determine otherwise. Except as the Board may otherwise decide, shutters may not be closed at any time other than a storm event. Any approval by the ACC shall not be deemed an endorsement of the effectiveness of hurricane shutters.

12.19 Irrigation. Due to water quality, irrigation systems may cause staining on Homes, other structures or paved areas. It is each Owner's responsibility to treat and remove any such staining within an Owner's Lot. The Declarant may utilize a computerized loop system to irrigate the Common Areas. Any computerized loop irrigation system that is not the maintenance obligation of an Owner, pursuant to the terms of this Declaration shall be the maintenance obligation of the Association.

12.20 Laundry. Subject to the provisions of Section 163.04, Florida Statutes (2016), to the extent applicable, no rugs, mops, or laundry of any kind, or any other similar type article, shall be shaken, hung or exposed so as to be visible outside the Home or Lot. Clotheslines may be installed in the rear of a Lot so long as not visible from the front of the Lot; provided, that, any such clothesline shall be removed when it is not in use as a clothesline.

12.21 Lawful Use. No immoral, improper, offensive, unlawful or obnoxious use shall be made in any portion of TWIN CREEKS. All laws, zoning ordinances and regulations of all governmental entities having jurisdiction thereof shall be observed. The responsibility of meeting the requirements of governmental entities for maintenance, modification or repair of a portion of TWIN CREEKS shall be the same as the responsibility for maintenance and repair of the property concerned.

12.22 Leases. Homes may be leased, licensed or occupied only in their entirety and no fraction or portion may be rented. No bed and breakfast facility may be operated out of a Home. Individual rooms of a Home may not be leased on any basis. No transient Lessees may be accommodated in a Home. All leases or occupancy agreements of Homes (collectively, "Lease Agreements") are subject to

THIS IS NOT A CERTIFIED COPY

the provisions of this Section 12.22. All Lease Agreements shall be in writing. A copy of all Lease Agreements shall be provided to the Association. No Lease Agreement may be for a term of less than one (1) year, and no Home may be leased more than two (2) times in any calendar year unless otherwise approved by the Association in the case of hardship. The Lessee, as part of the Lease Agreement, shall agree to abide by and adhere to the terms and conditions of this Declaration together with all Rules and Regulations and all policies adopted by the Association. By acceptance of a deed to a Home, the Owner hereby agrees to remove, at the Owner's sole expense, by legal means including eviction, his or her Lessee should the Lessee refuse or fail to abide by and adhere to this Declaration, the Rules and Regulations and any other policies adopted by the Association. Notwithstanding the foregoing, should an Owner fail to perform his or her obligations under this Section, the Association shall have the right, but not the obligation, to evict such Lessee and the costs of the same shall be charged to the Owner as an Individual Assessment. All Lease Agreements shall require the Home to be used solely as a private single family residence. Each leased Home shall be occupied by Lessees, members of the Lessee's family, overnight guests and professional caregivers as a residence and for no other purpose. During such time as a Home is leased, the Owner of such Home shall not enjoy the use privileges of the Common Areas appurtenant to such Home.

Each Owner shall collect from their respective Lessee and remit to the Association a security deposit in the amount of Two Hundred and No/100 Dollars (\$200.00), or such other amount as determined by the Board from time to time, to cover expenses related to the maintenance and repairs of the Home and/or damage caused to the Common Areas by the Lessee, members of the Lessee's family, or the Lessee's guests and invitees. The Association shall be entitled to apply the deposit to any Lessee obligations in connection with the Home, Common Area, or otherwise described in this Declaration; provided, that, the Lessee does not undertake obligations after notice from the Association. Unless otherwise applied as provided herein, the deposit shall be returned to the Owner upon termination of the lease term after the Association receives notice of such termination. In the event that the Owner does not comply with this Section, the Association may charge the deposit to the Owner as an Individual Assessment. Notwithstanding anything to the contrary herein, the leasing of a Home to a Lessee and the collection of the deposit referred to herein from an Owner shall not reduce or abate any Owner's obligations pursuant to this Declaration, or give any Owner the right to avoid any of the covenants, agreements, or obligations to be performed hereunder.

12.23 Mailboxes and Lampposts. No mailboxes or lampposts shall be installed on any Lot without prior written consent of the ACC. The ACC shall have the right to require that all mailboxes lampposts shall be of one particular type or design specified by the ACC so long as such designated type or design, in the case of mailboxes, meets the rules and regulations of the United States Post Office Department.

The Association shall have the right to inspect the progress of all reconstruction and/or repair work. Without limiting any other provision of this Declaration or the powers of the Association, the Association shall have a right to bring an action against an Owner who fails to comply with the foregoing requirements. By way of example, the Association may bring an action against an Owner who fails to either perform the Required Repair or Required Demolition on his or her Home within the time periods and in the manner provided herein. Each Owner acknowledges that the issuance of a building permit or a demolition permit in no way shall be deemed to satisfy the requirements set forth herein, which are independent of, and in addition to, any requirements for completion of work or progress requirements set forth in applicable statutes, zoning codes and/or building codes.

14.2.5 Association Has No Liability. Notwithstanding anything to the contrary this Section, the Association, its directors and officers, shall not be liable to any Owner should an Owner fail for any reason whatsoever to obtain insurance coverage on a Home. In the event the Association delegates some or all of the responsibility for the handling of the funds to a professional management company or licensed manager, such bonds shall be required for its officers, employees and agents, handling or responsible for funds of, or administered on behalf of the Association. The amount of the fidelity bond shall be based upon reasonable business judgment.

The Declarant and applicable Builders shall have the right to make all repairs and replacements deemed necessary by the Declarant and such Builders, as applicable. Without limiting the foregoing, the Declarant specifically reserves for itself and for Builders the right to use all paved roads and rights of way within TWIN CREEKS for vehicular and pedestrian ingress and egress to and from construction sites. Specifically, each Owner acknowledges that construction vehicles and trucks may use portions of the Common Areas and Facilities. The Declarant and Builders shall have no liability or obligation to repave, restore, or repair any portion of the Facilities or Common Areas as a result of the use of the same by construction traffic, and all maintenance and repair of such Common Areas or Facilities, as applicable, shall be deemed ordinary maintenance of the Association payable by all Owners as part of Operating Expenses or as part of the District Maintenance Special Assessments. Without limiting the foregoing, at no time shall the Declarant and/or Builders be obligated to pay any amount to the Association on account of the Declarant's and/or Builders' use of the Common Areas or Facilities. Further, the Declarant and/or Builders may market other residences and properties located outside of TWIN CREEKS from the Declarant's and/or Builders' sales facilities located within TWIN CREEKS. The CDD is an independent, multi-purpose, special district created pursuant to Chapter 190 of the Florida Statutes. The creation of the CDD puts Homes and other portions of TWIN CREEKS under the jurisdiction of the CDD. The CDD may be authorized to finance, fund, install, equip, extend, construct or reconstruct, without limitation, the following: water and sewer facilities, environmental mitigation, roadways, the SWMS, utility plants and lines, land acquisition, perimeter walls/fences, miscellaneous utilities for the community and other infrastructure projects and services necessitated by the development of, and serving lands, within TWIN CREEKS (the "**Public Infrastructure**"). The estimated design, development, construction and acquisition costs for these Facilities may be funded by the CDD in one or more series of governmental bond financings utilizing special assessment bonds or other revenue backed bonds. The CDD may issue both long term debt and short term debt to finance the Public Infrastructure. The principal and interest on the special assessments bonds may be repaid through non ad valorem special assessments (the "**District Debt Service Assessments**") levied on all benefiting properties in the CDD, which property has been found to be specially benefited by the Public Infrastructure. The principal and interest on the other revenue backed bonds (the "**District Revenue Bonds**") may be repaid through user fees, franchise fees or other use related revenues. In addition to the bonds issued to fund the Public Infrastructure costs, the CDD may also impose an annual non ad valorem special assessment to fund the operations of the CDD and the maintenance and repair of its Public Infrastructure and services (the "**District Maintenance Special Assessments**").

16.3 CDD Assessments. The District Debt Service Assessments and District Maintenance Special Assessments will not be taxes but, under Florida law, constitute a lien co-equal with the lien of state, County, municipal, and school board taxes and may be collected on the ad valorem tax bill sent each year by the Tax Collector of Hillsborough County and disbursed to the CDD. The homestead exemption is not applicable to the CDD assessments. Because a tax bill cannot be paid in part, failure to pay the District Debt Service Assessments, District Maintenance Special Assessments or any other portion of the tax bill will result in the sale of tax certificates and could ultimately result in the loss of title to the property of the delinquent taxpayer through the issuance of a tax deed. The District Revenue Bonds are not taxes or liens on property. If the fees and user charges underlying the District Revenue Bonds are not paid, then such fees and user charges could become liens on the property which could ultimately result in the loss of title to the property through the issuance of a tax deed. The actual amount of District Debt Service Assessments will be set forth in the District Assessment Methodology Report. District Maintenance Special Assessments relating to Facilities will be determined by the CDD. Any future CDD assessments and/or other charges due with respect to the Facilities are direct obligations of Owner and are secured by a lien against Owner's Lot and Home. Failure to pay such sums may result in loss of an Owner's Lot and Home. The CDD may construct, in part or in whole, by the issuance of Bonds certain facilities that may consist of roads, perimeter walls/fences, utilities and/or drainage system, as the CDD determines in its sole discretion.

16.4 Common Areas and Facilities Part of CDD. Portions of the Common Areas may become part of the CDD. In such event, Common Areas will become part of the Facilities, will be part of the CDD and the CDD shall govern the use and maintenance of the Facilities. Some of the provisions of this Declaration will not apply to such Facilities, as the Facilities will no longer be Common Areas once conveyed to the CDD. ANY CONVEYANCE OF COMMON AREAS TO THE CDD SHALL IN NO WAY INVALIDATE THIS DECLARATION. The Declarant may decide, in its sole and absolute discretion, to convey additional portions of the Common Areas to either the CDD or the Association. If conveyed to the CDD, such portions of the Common Areas shall thereafter be part of the CDD Facilities. The CDD or the Association may promulgate rules, regulations and/or covenants that may outline use restrictions for the Facilities, or the Association's responsibility to maintain the Facilities, if any. The establishment of the CDD and the inclusion of Facilities in the CDD will obligate each Owner to become responsible for the

THIS IS NOT A CERTIFIED COPY

payment of District Debt Service Assessments and District Maintenance Special Assessments for the construction and operation of the Facilities as set forth in this Section.

16.5 Facilities Owned by CDD. The Facilities may be owned and operated by the CDD or owned by the CDD and maintained by the Association. The Facilities may be owned by a governmental entity other than the CDD. The Facilities shall be used and enjoyed by the Owners on a non-exclusive basis, in common with such other persons, entities, and corporations that may be entitled to use the Facilities.

16.6 Retention/Detention Areas. THE FACILITIES MAY INCLUDE RETENTION/DETENTION AREAS. NEITHER THE DECLARANT, BUILDERS, THE CDD NOR THE ASSOCIATION MAKE ANY REPRESENTATION CONCERNING THE CURRENT OR FUTURE WATER LEVELS IN ANY OF THE RETENTION/DETENTION AREAS IN TWIN CREEKS; PROVIDED, FURTHER, NEITHER THE DECLARANT, BUILDERS, THE CDD NOR THE ASSOCIATION BEAR ANY RESPONSIBILITY TO ATTEMPT TO ADJUST OR MODIFY THE WATER LEVELS SINCE SUCH LEVELS ARE SUBJECT TO SEASONAL GROUNDWATER AND RAINFALL FLUCTUATIONS THAT ARE BEYOND THE CONTROL OF THE DECLARANT, BUILDERS, THE CDD AND THE ASSOCIATION. BY ACCEPTANCE OF A DEED TO A LOT, EACH OWNER ACKNOWLEDGES THAT THE WATER LEVELS OF ALL RETENTION/DETENTION AREAS MAY VARY. THERE IS NO GUARANTEE BY THE DECLARANT, BUILDERS, THE CDD OR THE ASSOCIATION THAT WATER LEVELS WILL BE CONSTANT OR AESTHETICALLY PLEASING AT ANY PARTICULAR TIME; AT TIMES, WATER LEVELS MAY BE NONEXISTENT. NEITHER THE DECLARANT, BUILDERS, THE CDD NOR THE ASSOCIATION SHALL BE OBLIGATED TO ERECT FENCES, GATES, OR WALLS AROUND OR ADJACENT TO ANY RETENTION/DETENTION AREAS WITHIN TWIN CREEKS.

16.7 Retention/Detention Area Slopes. The rear yard of some Lots may contain slopes adjacent to the retention/detention areas ("Retention/Detention Area Slopes"). All Retention/Detention Area Slopes will be regulated and maintained by the District. The Declarant hereby grants the District an easement of ingress and egress across all Lots adjacent to retention/detention areas for the purpose of regulating and maintaining such Retention/Detention Area Slopes. The CDD may establish from time to time standards for the Retention/Detention Area Slopes maintenance by Owners who own Lots adjacent to such areas ("Retention/Detention Area Slopes Maintenance Standards"). Such Retention/Detention Area Slopes Maintenance Standards may include requirements respecting compaction and strengthening of banks. The CDD shall have the right to inspect such Retention/Detention Area Slopes to ensure that each Owner has complied with its obligations hereunder and under the Retention/Detention Area Slopes Maintenance Standards. Each Owner hereby grants the CDD an easement of ingress and egress across his or her Lot to all retention/detention areas for the purpose of insuring compliance with the requirements of this provision and the Retention/Detention Area Slopes Maintenance Standards. For the purposes of this Declaration, each day that an Owner fails to comply with the requirements of this paragraph or any Retention/Detention Area Slopes Maintenance Standards shall be deemed a separate and independent violation of this Declaration.

16.8 Perimeter Walls/Fences. The Declarant, Builder and District may install perimeter walls or fences within TWIN CREEKS (the "Perimeter Walls/Fences"). The CDD at all times shall have the exclusive right to maintain, repair, replace any Perimeter Walls/Fences within TWIN CREEKS, including Perimeter Walls/Fences located on Lots; however, each Owner shall be responsible for the routine maintenance and cleaning the interior of any Perimeter Walls/Fences, or portion thereof, located on or adjacent to the Owner's Lot. The CDD may perform any such maintenance, repairs or replacement of the Perimeter Walls/Fences at the CDD's discretion and the costs of such maintenance, repairs or replacement shall be District Maintenance Special Assessments. Failure of the CDD to undertake any such maintenance, replacement or repair of the Perimeter Walls/Fences shall in no event be deemed a waiver of the right to do so thereafter. Notwithstanding anything contained in this Section to the contrary, neither the Declarant nor Builder commits to, nor shall hereby be obligated to, construct such Perimeter Walls/Fences.

16.9 District Facilities. The District may contract with the Association for the maintenance, repair, and replacement of the Facilities, subject to any written agreement accepted by the Association.

17. Assessments.

17.1 General. Each Owner, by acceptance of a deed or instrument of conveyance for the acquisition of title in any manner (whether or not so expressed in the deed), including any purchaser at a judicial sale, shall be deemed to have covenanted and agreed to pay to the Association at the time and in the manner required by the Board, assessments or charges as are fixed, established and collected from time to time by the Association (collectively, the "**Assessments**"). As Vacant Lots and Spec Lots (as defined herein) may not receive certain services, all Lots shall not be assessed uniformly.

17.2 Purpose of Assessments. The Assessments levied by the Association shall be used for, among other things, the purpose of operating and maintaining the Association and TWIN CREEKS. Assessments shall include the following categories of charges as and when levied and deemed payable by the Board:

17.2.1 Any periodic assessment (on such frequency as determined by the Board) or charge for the purpose of operating the Association and accomplishing any and all of its purposes, as determined in accordance herewith, including, without limitation, payment of Operating Expenses and collection of amounts necessary to pay any deficits from prior years' operation ("**Installment Assessments**");

17.2.2 Any special assessments for capital improvements, major repairs, emergencies, or nonrecurring expenses ("**Special Assessments**");

17.2.3 Any specific fees, dues or charges to be paid for any special services, for any special or personal use of the Common Areas, or to reimburse the Association for the expenses incurred in connection with such service or use ("**Use Fees**");

17.2.4 Assessments of any kind for the creation of reasonable reserves for any of the aforesaid purposes. The Board may, but shall have no obligation to, include a "Reserve for Replacement" in the Installment Assessments in order to establish and maintain an adequate reserve fund for the periodic maintenance, repair, and replacement of improvements comprising a portion of the Common Areas (the "**Reserves**"). Reserves shall be payable in such manner and at such times as determined by the Association, and may be payable in installments extending beyond the fiscal year in which the Reserves are established; and

17.2.5 Any specific assessment for costs incurred by the Association or charges, fees or fines levied against a specific Lot or Lots or the record title owner thereof, which amounts are by their nature applicable only to one or more Lots, but less than all Lots ("**Individual Assessments**"). By way of example and not limitation, in the event an Owner fails to maintain their Lot or the exterior of their Home in a manner required by the Governing Documents, the Association shall have the right, through its agents and employees, to enter upon the Lot and to repair, restore, and maintain the Lot and/or Home as required by the Governing Documents. The costs of any such repair, restoration and/or maintenance, plus the reasonable administrative expenses of the Association and any costs incurred in bringing a Lot and/or Home into compliance with the Governing Documents shall be an Individual Assessment. The lien for an Individual Assessment may be foreclosed in the same manner as any other Assessment.

17.3 Designation. The designation of Assessment type and amount shall be made by the Association. Prior to the Community Completion Date, any such designation must be approved by the Declarant. Such designation may be made on the budget prepared by the Association. The designation shall be binding upon all Owners.

17.4 Allocation of Operating Expenses.

17.4.1 Commencing on the first day of the period covered by the annual budget, and until the adoption of the next annual budget, the Assessments for Operating Expenses and Reserves (if any) shall be allocated so that each Owner shall pay Operating Expenses, Special Assessments and Reserves based upon a fraction, the numerator of which is one (1) and the denominator of which is the total number of Lots in TWIN CREEKS conveyed to Owners or any greater number determined by the Declarant from time to time. The Declarant, in its sole and absolute discretion may change such denominator from time to time; provided, however, under no circumstances will the denominator be less than the number of Lots owned by Owners. In addition, any Lot that does not have a Home constructed thereon as evidenced by a Certificate of Occupancy (a "**Vacant Lot**") and any Lot that has a Home constructed thereon but is owned by the Declarant or Builder (a "**Spec Lot**") shall be assessed at ten percent (10%) of the Installment Assessment or Special Assessments assessed to Lots with Homes constructed thereon and owned by Owners. The Vacant Lot Assessment and the Spec Lot Assessment shall be additional income to the Association and Vacant Lots and Spec Lots shall not be included in the denominator used to determine each Owner's pro rata share of the Operating Expenses and Reserves (if any), unless otherwise determined by the Declarant in its sole and absolute discretion.

17.4.2 In the event the Operating Expenses as estimated in the budget for a particular fiscal year are, after the actual Operating Expenses for that period is known, less than the actual costs, then the difference shall, at the election of the Association: (i) be added to the calculation of Installment Assessments, as applicable, for the next ensuing fiscal year; or (ii) be immediately collected from the Owners as a Special Assessment. The Association shall have the unequivocal right to specially assess Owners retroactively on January 1st of any year for any shortfall in Installment Assessments, which Special Assessment shall relate back to the date that the Installment Assessments could have been made. After the Turnover Date, no vote of the Owners shall be required for such Special Assessment (or for any other Assessment) except to the extent specifically provided herein. Prior to the Turnover, a Special Assessment may be levied by the Association with the approval of (i) a majority of the Board; and (ii) fifty-one percent (51%) of the Owners' Voting Interests present (in person or by proxy) at a duly noticed meeting of the members.

17.4.3 Each Owner agrees that so long as it does not pay more than the required amount it shall have no grounds upon which to object to either the method of payment or non-payment by other Owners or the Declarant of any sums due.

17.5 General Assessments Allocation. Installment Assessments and Reserves (if any) shall be uniform for all Lots improved with a Home, except as provided herein. Special Assessments and Reserves shall be allocated equally to each Owner. Notwithstanding anything to the contrary contained in the Governing Documents, but subject to the rights of the Declarant pursuant to Section 17.8 of this Declaration, Vacant Lots and Spec Lots shall be assessed at ten percent (10%) of the Installment Assessments and Special Assessments assessed to Lots with Homes constructed thereon and owned by Owners. This lesser Assessment amount reflects that Vacant Lots and Spec Lots will not benefit from maintenance and other services provided by the Association. At such time as a Spec Lot is conveyed by the Declarant or a Builder to an Owner, then the Spec Lot shall be deemed a fully assessed Lot and shall be responsible for one-hundred percent (100%) of Installment Assessments and Special Assessments, except as otherwise provided herein.

17.6 Use Fees and Individual Assessment. Use Fees and Individual Assessment. Except as hereinafter specified to the contrary, Use Fees and Individual Assessments shall be made against the Owners benefiting from, or subject to, the special service or cost as specified by the Association. Builders shall not be required to pay Use Fees or Individual Assessments.

THIS IS NOT A CERTIFIED COPY

17.7 Commencement of First Assessment. Assessments shall commence as to each Owner on the day of the conveyance of title of a Home to such Owner. The record title owner of a Lot is jointly and severally liable with the previous record title owner of the Lot for all unpaid Assessments that came due up to the time of transfer of title. A record title owner of a Lot, regardless of how title to the Lot has been acquired, including by purchase at a foreclosure sale or by deed in lieu of foreclosure, is liable for all Assessments that come due while such person or entity was the record title owner of the Lot. An Owner's liability for Assessments may not be avoided by waiver or suspension of the use or enjoyment of any Common Areas or Facilities or by abandonment of the Lot upon which the Assessments are made.

17.8 Shortfalls and Surpluses. Each Owner acknowledges that because Installment Assessments, Special Assessments, and Reserves are allocated based on the formula provided herein, or upon the number of Lots conveyed to Owners in the prior fiscal year, it is possible the Association may collect more or less than the amount budgeted for Operating Expenses. Prior to the Turnover, the Declarant shall have the option to (i) pay any Operating Expenses incurred by the Association that exceed the Assessments receivable from Owners and other income of the Association, including, without limitation, the Initial Contributions and Resale Contributions, late fees and interest (the "Deficit"), or (ii) pay Installment Assessments on Homes or Lots owned by the Declarant at the applicable rate of Installment Assessments established for Lots and Homes, including Vacant Lots, owned by Class A Members. Notwithstanding any other provision of this Declaration to the contrary, the Declarant shall never be required to (i) pay Assessments if the Declarant has elected to fund the Deficit instead of paying Assessments on Homes or Lots owned by the Declarant, (ii) pay Special Assessments, Individual Assessments or Reserves, or (iii) fund deficits due to delinquent Owners. Any surplus Assessments collected by the Association may be allocated towards the next year's Operating Expenses or, in the Association's sole and absolute discretion, to the creation of Reserves, whether or not budgeted. Under no circumstances shall the Association be required to pay surplus Assessments to Owners. The Declarant may, at any time, give thirty (30) days' prior written notice to the Association terminating its responsibility for funding the Deficit, and waiving its right to exclusion from Assessments. Upon giving such notice, or upon Turnover, whichever is sooner, each Lot owned by the Declarant shall thereafter be assessed at the applicable rate of Installment Assessments established for Lots and Homes, including Vacant Lots, owned by Class A Members. The Declarant shall not be responsible for any Reserves, Individual Assessments or Special Assessments, even after the Turnover. Upon transfer of title of a Lot owned by the Declarant, the Lot shall be assessed in the amount established for Lots owned by Owners or at the amount established for Vacant Lots or Spec Lots, as applicable, prorated as of and commencing with, the month following the date of transfer of title.

THE DECLARANT DOES NOT PROVIDE A GUARANTEE OF THE LEVEL OF ASSESSMENTS. AS SUCH, THERE IS NO MAXIMUM GUARANTEED LEVEL OF ASSESSMENTS DUE FROM OWNERS. IN THE EVENT THE DECLARANT ELECTS TO DEFICIT FUND IN LIEU OF PAYING ASSESSMENTS ON THE SAME BASIS AS OTHER OWNERS, THE DECLARANT SHALL SPECIFICALLY ELECT TO FUND THE DEFICIT AS PROVIDED IN SECTION 720.308(1)(B), FLORIDA STATUTES (2016). AS SUCH, THE PROVISIONS OF SECTIONS 720.308(2) THROUGH 720.308(6), FLORIDA STATUTES (2016), ARE NOT APPLICABLE TO THE DECLARANT OR THE CALCULATION OF THE DEFICIT OR OTHER AMOUNTS DUE FROM THE DECLARANT.

17.9 Budgets. The initial budget prepared by the Declarant is adopted as the budget for the period of operation until adoption of the first annual Association budget. Thereafter, annual budgets shall be prepared and adopted by the Board. Assessments shall be payable by each Owner and Builder as provided in this Declaration. THE INITIAL BUDGET OF THE ASSOCIATION IS PROJECTED (NOT BASED ON HISTORICAL OPERATING FIGURES). THEREFORE, IT IS POSSIBLE THAT ACTUAL ASSESSMENTS MAY BE LESS OR GREATER THAN PROJECTED.

17.10 Establishment of Assessments. Assessments shall be established in accordance with the following procedures:

THIS IS NOT A CERTIFIED COPY

17.10.1 Installment Assessments shall be established by the adoption of a twelve (12) month operating budget by the Board. The budget shall be in the form required by Section 720.303(6), Florida Statutes (2016). The Board may from time to time determine when the Installment Assessments will be collected by the Association (i.e. monthly, quarterly, or annually). Unless otherwise established by the Board, Installment Assessments for Operating Expenses shall be collected in advance on a quarterly basis.

17.10.2 Special Assessments and Individual Assessments may be established by the Association, from time to time, and shall be payable at such time or time(s) as determined by the Board. Until the Community Completion Date, no Special Assessment shall be imposed without the consent of the Declarant.

17.10.3 The Association may establish, from time to time, by resolution, rule or regulation, or by delegation to an officer or agent, including, a professional management company, Use Fees. The sums established shall be payable by the Owner utilizing the service or facility as determined by the Association.

17.11 Initial Contribution. The first purchaser of each Lot from a Builder, at the time of closing of the conveyance from a Builder to the purchaser, shall pay to the Association an initial contribution in the amount of Three Hundred and No/100 Dollars (\$300.00) (the "Initial Contribution"). The funds derived from the Initial Contributions are income to the Association and shall be used at the discretion of Board for any purpose, including without limitation, future and existing capital improvements, Operating Expenses, support costs and start-up costs. Notwithstanding any other provision of this Declaration to the contrary, the Builder purchasing a Lot from the Declarant shall not be obligated to pay to the Association the Initial Contribution.

17.12 Resale Contribution. After the Home has been conveyed by the Builder, there shall be collected from the purchaser upon every subsequent conveyance of an ownership interest in a Home by an Owner a resale contribution in the amount equal to Three Hundred and No/100 Dollars (\$300.00) (the "Resale Contribution"). The Resale Contribution shall not be applicable to conveyances from the Declarant or Builder. The funds derived from the Resale Contributions are income to the Association and shall be used at the discretion of Board for any purpose, including without limitation, future and existing capital improvements, Operating Expenses, support costs and start-up costs. Notwithstanding any other provision of this Declaration to the contrary, the Builder purchasing a Lot from the Declarant shall not be obligated to pay to the Association the Resale Contribution.

17.13 Assessment Estoppel Certificates. No Owner shall sell or convey its interest in a Lot or Home unless all sums due to the Association have been paid in full and an estoppel certificate shall have been received by such Owner. The Association shall prepare and maintain a ledger noting Assessments due from each Owner. The ledger shall be kept in the office of the Association, or its designees, and shall be open to inspection by any Owner. Within fourteen (14) days of a written request therefor from an Owner, there shall be furnished to an Owner an estoppel certificate in writing setting forth whether the Assessments have been paid and/or the amount that is due as of any date. As to parties other than Owners who, without knowledge of error, rely on the certificate, the certificate shall be conclusive evidence of the amount of any Assessment therein stated. The Owner requesting the estoppel certificate shall be required to pay the Association a reasonable sum to cover the costs of examining records and preparing such estoppel certificate.

17.14 Payment of Home Real Estate Taxes. Each Owner shall pay all taxes and obligations relating to its Lot which, if not paid, could become a lien against the Lot that is superior to the lien for Assessments created by this Declaration.

17.15 Creation of the Lien and Personal Obligation. Each Owner and Builder, by acceptance of a deed or instrument of conveyance for the acquisition of title to a Lot, shall be deemed to have

THIS IS NOT A CERTIFIED COPY

covenanted and agreed that the Assessments, and/or other charges and fees set forth herein, together with interest, late fees, costs and reasonable attorneys' fees and paraprofessional fees at all levels of proceedings including appeals, collections and bankruptcy, shall be a charge and continuing lien in favor of the Association encumbering the Lot and all personal property located thereon owned by the Owner or Builder against whom each such Assessment is made. The lien is effective from and after recording a Claim of Lien in the Public Records stating the legal description of the Lot, name of the Owner or Builder, and the amounts due as of that date, but shall relate back to the date that this Declaration is recorded. The Claim of Lien shall also cover any additional amounts which accrue thereafter until satisfied. Each Assessment, together with interest, late fees, costs and reasonable attorneys' fees and paraprofessional fees at all levels including appeals, collections and bankruptcy, and other costs and expenses provided for herein, shall be the personal obligation of the person or entity that was the record title owner of the Lot at the time when the Assessment became due, as well as the such record title owner's heirs, devisees, personal representatives, successors or assigns.

17.16 Subordination of the Lien to Mortgages. The lien for Assessments shall be subordinate to a bona fide first mortgage held by a Lender on any Lot, if the mortgage is recorded in the Public Records prior to the Claim of Lien. The lien for Assessments shall not be affected by any sale or transfer of a Lot, except in the event of a sale or transfer of a Lot pursuant to a foreclosure (or by deed in lieu of foreclosure or otherwise) of a bona fide first mortgage held by a Lender, in which event, the acquirer of title, its successors and assigns, shall be liable for Assessments which became due prior to such sale or transfer to the extent provided in Section 720.3085, Florida Statutes (2016). Any such unpaid Assessments for which such acquirer of title is not liable may be reallocated and assessed to all Owners (including such acquirer of title) as a part of Operating Expenses. Any sale or transfer pursuant to a foreclosure (or by deed in lieu of foreclosure or otherwise pursuant to a foreclosure) shall not relieve the record title owner from liability for, nor the Lot from the lien of, any Assessments made thereafter. Nothing herein contained shall be construed as releasing the party liable for any delinquent Assessments from the payment thereof, or the enforcement of collection by means other than foreclosure. A Lender shall give written notice to the Association if the mortgage held by such Lender is in default. The Association shall have the right, but not the obligation, to cure such default within the time periods provided in the mortgage held by such Lender. In the event the Association makes such payment on behalf of a record title owner, the Association shall, in addition to all other rights reserved herein, be subrogated to all of the rights of the Lender. All amounts advanced on behalf of a record title owner pursuant to this Section shall be added to Assessments payable by such record title owner with appropriate interest.

17.17 Acceleration. In the event of a default in the payment of any Assessment, the Association may accelerate the Assessments then due for up to the next ensuing twelve (12) month period.

17.18 Non-Payment of Assessments. If any Assessment is not paid within ten (10) days (or such other period of time established by the Board) after the due date, a late fee of Twenty-Five and no/100 Dollars (\$25.00) per month (or such greater amount established by the Board), together with interest in an amount equal to the maximum rate allowable by law (or such lesser rate established by the Board), per annum, beginning from the due date until paid in full, may be levied. The late fee shall compensate the Association for administrative costs, loss of use of money, and accounting expenses. The Association may, at any time thereafter, bring an action at law against the record title owner personally obligated to pay the same, and/or foreclose the lien against the Lot, or both. The Association shall not be required to bring such an action if it believes that the best interests of the Association would not be served by doing so. There shall be added to the Assessment all costs expended in preserving the priority of the lien and all costs and expenses of collection, including attorneys' fees and paraprofessional fees, at all levels of proceedings, including appeals, collection and bankruptcy. No Owner may waive or otherwise escape liability for Assessments provided for herein by non-use of, or the waiver of the right to use the Common Areas or by abandonment of a Lot or Home. All payments on accounts shall be first applied to fines levied in accordance with the terms of this Declaration, interest accrued by the Association, then to any administrative late fee, then to costs and attorneys' fees, and then to the delinquent Assessment payment first due. The allocation of payment described in the previous sentence

THIS IS NOT A CERTIFIED COPY

shall apply notwithstanding any restrictive endorsement, designation, or instruction placed on or accompanying a payment.

17.19 Exemption. Notwithstanding anything to the contrary herein, the Declarant, at the Declarant's sole option, may pay Assessments on Lots and Homes owned by it, or fund the Deficit, if any, as set forth in Section 17.8 herein. In addition, the Board shall have the right to exempt any portion of TWIN CREEKS subject to this Declaration from the Assessments, provided that such part of TWIN CREEKS exempted is used (and as long as it is used) for any of the following purposes:

17.19.1 Any easement or other interest therein dedicated and accepted by the local public authority and devoted to public use; and

17.19.2 Any of TWIN CREEKS exempted from ad valorem taxation by the laws of the State of Florida or exempted from Assessments by other provisions of this Declaration.

17.20 Collection by the Declarant. If for any reason the Association shall fail or be unable to levy or collect Assessments, then in that event, the Declarant shall at all times have the right, but not the obligation: (i) to advance such sums as a loan to the Association to bear interest and to be repaid as hereinafter set forth; and/or (ii) to levy and collect such Assessments by using the remedies available as set forth above, including, but not limited to, recovery of attorneys' fees and paraprofessional fees at all levels including appeals, collections and bankruptcy. Such remedies shall be deemed assigned to the Declarant for such purposes. If the Declarant advances sums, it shall be entitled to immediate reimbursement, on demand, from the Association for such amounts so paid, plus interest thereon at the Wall Street Journal Prime Rate plus two percent (2%), plus any costs of collection including, but not limited to, reasonable attorneys' fees and paraprofessional fees at all levels including appeals, collections and bankruptcy.

17.21 Rights to Pay Assessments and Receive Reimbursement. The Association, the Declarant and any Lender shall have the right, but not the obligation, jointly and severally, and at their sole option, to pay any Assessments or other charges which are in default and which may or have become a lien or charge against any Lot or Home. If so paid, the party paying the same shall be subrogated to the enforcement rights of the Association with regard to the amounts due.

17.22 Mortgagee Right. Each Lender may request in writing the Association notify such Lender of any default of the Owner of the Home subject to the Lender's mortgage which default is not cured within thirty (30) days after the Association learns of such default. A failure by the Association to furnish notice to any Lender shall not result in liability of the Association because such notice is given as a courtesy to a Lender and the furnishing of such notice is not an obligation of the Association to Lender.

17.23 Collection from Lessees. If a Home is occupied by a Lessee and the Owner is delinquent in the payment of Assessments, the Association may demand from the Lessee payment to the Association of all monetary obligations, including without limitation, Assessments due from the Owner to the Association. So long as the Owner remains delinquent, future rent payments due to the Owner must be paid to the Association and shall be credited to the monetary obligations of the Owner to the Association; provided, however, if within fourteen (14) days from the written demand of the Association, the Lessee provides the Association with written evidence of making prepaid rent payments, the Lessee shall receive a credit for the prepaid rent for the applicable period of such prepaid rent.

18. Information to Lenders, Builders and Owners.

18.1 Availability. There shall be available for inspections upon request, during normal business hours or under other reasonable circumstances, to Owners, Builders and Lenders current copies of the Governing Documents.

THIS IS NOT A CERTIFIED COPY

18.2 Copying. Any Owner, Builder and/or Lender shall be entitled, upon written request, and at its cost, to a copy of the documents referred to above.

18.3 Notice. Upon written request by a Lender (identifying the name and address of the Lender and the name and address of the applicable Owner), the Lender will be entitled to timely written notice of:

18.3.1 Any condemnation loss or casualty loss which affects a material portion of a Home to the extent the Association is notified of the same;

18.3.2 Any delinquency in the payment of Assessments owed by an Owner of a Home subject to a first mortgage held by the Lender, which remains uncured for a period of sixty (60) days;

18.3.3 Any lapse, cancellation, or material modification of any insurance policy or fidelity bond maintained hereunder; and

18.3.4 Any proposed action that specifically requires the consent of a Lender.

18.4 Failure of Lender to Respond. Any Lender who receives a written request to respond to proposed amendment(s) to the Governing Documents shall be deemed to have approved such amendment(s) if the Lender does not submit a response to any such request within sixty (60) days after it receives proper notice of the proposed amendment(s); provided such request is delivered to the Lender by certified or registered mail, return receipt requested.

19. Architectural Control.

19.1 Architectural Control Committee. The ACC shall be a permanent committee of the Association and shall administer and perform the architectural and landscape review and control functions relating to TWIN CREEKS. The ACC shall consist of a minimum of three (3) members who shall initially be named by the Declarant and who shall hold office at the pleasure of the Declarant. Until the Community Completion Date, the Declarant shall have the right to change the number of members on the ACC, and to appoint, remove, and replace all members of the ACC. The Declarant shall determine which members of the ACC shall serve as its chairman and co-chairman. In the event of the failure, refusal, or inability to act of any of the members appointed by the Declarant, the Declarant shall have the right to replace any member within thirty (30) days of such occurrence. If the Declarant fails to replace that member, the remaining members of the ACC shall fill the vacancy by appointment. From and after the Community Completion Date, the Board shall have the same rights as the Declarant with respect to the ACC.

19.2 Membership. There is no requirement that any member of the ACC be a member of the Association.

19.3 General Plan. It is the intent of this Declaration to create a general plan and scheme of development of TWIN CREEKS. Accordingly, the ACC shall have the right to approve or disapprove all architectural, landscaping, and improvements within TWIN CREEKS by Owners. The ACC shall have the right to evaluate all plans and specifications as to harmony of exterior design, landscaping, location of any proposed improvements, relationship to surrounding structures, topography and conformity with such other reasonable requirements as shall be adopted by ACC. The ACC may impose standards for construction and development which may be greater or more stringent than standards prescribed in applicable building, zoning, or other local governmental codes. Prior to the Community Completion Date, any additional standards or modification of existing standards shall require the consent of the Declarant and Builders, which may be granted or denied in their sole discretion.

19.4 Master Plan. The Declarant has established an overall Master Plan. However, notwithstanding the above, or any other document, brochures or plans, the Declarant reserves the right to modify the Master Plan or any site plan at any time as it deems desirable in its sole discretion and in accordance with applicable laws and ordinances. WITHOUT LIMITING THE FOREGOING, THE DECLARANT AND/OR BUILDERS MAY PRESENT TO THE PUBLIC OR TO OWNERS RENDERINGS, PLANS, MODELS, GRAPHICS, TOPOGRAPHICAL TABLES, SALES BROCHURES, OR OTHER PAPERS RESPECTING TWIN CREEKS. SUCH RENDERINGS, PLANS, MODELS, GRAPHICS, TOPOGRAPHICAL TABLES, SALES BROCHURES, OR OTHER PAPERS ARE NOT A GUARANTEE OF HOW TWIN CREEKS WILL APPEAR UPON COMPLETION AND THE DECLARANT RESERVES THE RIGHT TO CHANGE ANY AND ALL OF THE FOREGOING AT ANY TIME AS THE DECLARANT DEEMS NECESSARY IN ITS SOLE AND ABSOLUTE DISCRETION.

19.5 Community Standards. Each Owner, and their respective contractors and employees shall observe, and comply with, the Community Standards which now or may hereafter be promulgated by the Declarant or the ACC. The Community Standards shall be effective from the date of adoption; shall be specifically enforceable by injunction or otherwise; and shall have the effect of covenants as if set forth herein verbatim. The Community Standards shall not require any Owner or Builder to alter the improvements previously constructed. Until the Community Completion Date, the Declarant and Builders shall have the right to approve the Community Standards, which approval, may be granted or denied in their sole discretion.

19.6 Quorum. A majority of the ACC shall constitute a quorum to transact business at any meeting. The action of a majority present at a meeting at which a quorum is present shall constitute the action of the ACC. In lieu of a meeting, the ACC may act in writing.

19.7 Power and Duties of the ACC. No improvements shall be constructed on a Lot, no exterior of a Home shall be repainted, no landscaping, sign, or improvements erected, removed, planted, or installed upon a Lot, nor shall any material addition to or any change, replacement, or alteration of the improvements as originally constructed by the Declarant or Builders (visible from the exterior of the Home) be made until the plans and specifications showing the nature, kind, shape, height, materials, floor plans, color scheme, and the location of same shall have been submitted to and approved in writing by the ACC.

19.8 Procedure. In order to obtain the approval of the ACC, each Owner shall observe the following:

19.8.1 Each applicant shall submit an application to the ACC with respect to any proposed improvement or material change in an improvement, together with the required application(s) and other fee(s) as established by the ACC. The applications shall include such information as may be required by the application form adopted by the ACC. The ACC may also require submission of samples of building materials and colors proposed to be used. At the time of such submissions, the applicant shall, if requested, submit to the ACC, such site plans, plans and specifications for the proposed improvement, prepared and stamped by a registered Florida architect or residential designer, and landscaping and irrigation plans, prepared by a registered landscape architect or designer showing all existing trees and major vegetation stands and surface water drainage plan showing existing and proposed design grades, contours relating to the predetermined ground floor finish elevation, pool plans and specifications and the times scheduled for completion, all as reasonably specified by the ACC.

19.8.2 In the event the information submitted to the ACC is, in the ACC's opinion, incomplete or insufficient in any manner, the ACC may request and require the submission of additional or supplemental information. The applicant shall, within fifteen (15) days thereafter, comply with the request.

THIS IS NOT A CERTIFIED COPY

19.8.3 No later than thirty (30) days after receipt of all information required by the ACC for final review, the ACC shall approve or deny the application in writing. The ACC shall have the right to refuse to approve any plans and specifications which are not suitable or desirable, in the ACC's sole discretion, for aesthetic or any other reasons or to impose qualifications and conditions thereon. In approving or disapproving such plans and specifications, the ACC shall consider the suitability of the proposed improvements, the materials of which the improvements are to be built, the site upon which the improvements are proposed to be erected, the harmony thereof with the surrounding area and the effect thereof on adjacent or neighboring property. In the event the ACC fails to respond within said thirty (30) day period, the plans and specifications shall be deemed disapproved by the ACC.

19.8.4 Construction of all improvements shall be completed within the time period set forth in the application and approved by the ACC.

19.8.5 In the event that the ACC disapproves any plans and specifications, the applicant may request a rehearing by the ACC for additional review of the disapproved plans and specifications. The meeting shall take place no later than thirty (30) days after written request for such meeting is received by the ACC, unless applicant waives this time requirement in writing. The ACC shall make a final written decision no later than thirty (30) days after such meeting. In the event the ACC fails to provide the applicant such written decision within said thirty (30) days, the plans and specifications shall be deemed disapproved.

19.8.6 Upon final disapproval (even if the members of the Board and the ACC are the same), the applicant may appeal the decision of the ACC to the Board within thirty (30) days of the ACC's written review and disapproval. Review by the Board shall take place no later than thirty (30) days subsequent to the receipt by the Board of the applicant's request therefor. If the Board fails to hold such a meeting within thirty (30) days after receipt of request for such meeting, then the plans and specifications shall be deemed disapproved. The Board shall make a final decision no later than sixty (60) days after such meeting. In the event the Board fails to provide such written decision within said sixty (60) days after such meeting, such plans and specifications shall be deemed disapproved. The decision of the ACC, or, if appealed, the Board, shall be final and binding upon the applicant, its heirs, legal representatives, successors and assigns.

19.9 Alterations. Any and all alterations, deletions, additions and changes of any type or nature whatsoever to then existing improvements or the plans or specifications previously approved by the ACC shall be subject to the approval of the ACC in the same manner as required for approval of original plans and specifications.

19.10 Variances. The Association or ACC shall have the power to grant variances from any requirements set forth in this Declaration or from the Community Standards, on a case by case basis, provided that the variance sought is reasonable and results from a hardship upon the applicant. The granting of a variance shall not nullify or otherwise affect the right to require strict compliance with the requirements set forth herein or in the Community Standards on any other occasion.

19.11 Permits. Each Owner is solely responsible to obtain all required building and other permits from all governmental authorities having jurisdiction.

19.12 Construction Activities. The following provisions govern construction activities by Owners after consent of the ACC has been obtained:

19.12.1 Each Owner shall deliver to the ACC, if requested, copies of all construction and building permits as and when received by the Owner. Each construction site in TWIN CREEKS shall be maintained in a neat and orderly condition throughout construction. Construction activities shall be performed on a diligent, workmanlike and continuous basis.

Roadways, easements, swales, Common Areas, and other such areas in TWIN CREEKS shall be kept clear of construction vehicles, construction materials and debris at all times. No construction office or trailer shall be kept in TWIN CREEKS and no construction materials shall be stored in TWIN CREEKS, subject, however, to such conditions and requirements as may be promulgated by the ACC. All refuse and debris shall be removed or deposited in a dumpster on a daily basis. No materials shall be deposited or permitted to be deposited in any Common Areas or other Lots or be placed anywhere outside of the Lot upon which the construction is taking place. No hazardous waste or toxic materials shall be stored, handled and used, including, without limitation, gasoline and petroleum products, except in compliance with all applicable federal, state and local statutes, regulations and ordinances, and shall not be deposited in any manner on, in or within the construction or adjacent property. All construction activities shall comply with the Community Standards. If an Owner (or any of their respective contractors and employees) shall fail to comply in any regard with the requirements of this Section, the ACC may require that such Owner post security with the Association in such form and such amount deemed appropriate by the ACC in its sole discretion.

19.12.2 There shall be provided to the ACC, if requested, a list (name, address, telephone number and identity of contact person), of all contractors, subcontractors, materialmen and suppliers (collectively, "**Contractors**") and changes to the list as they occur relating to construction. The ACC shall have the right to require that each Contractor's employees check in at the designated construction entrances and to refuse entrance to persons and parties whose names are not registered with the ACC.

19.12.3 Each Owner is responsible for ensuring compliance with all terms and conditions of these provisions and of the Community Standards by all of its employees and Contractors. In the event of any violation of any such terms or conditions by any employee or Contractor, or, in the opinion of the ACC, the continued refusal of any employee or Contractor to comply with such terms and conditions, after five (5) days' notice and right to cure, the ACC shall have, in addition to the other rights hereunder, the right to prohibit the violating employee or Contractor from performing any further services in TWIN CREEKS.

19.12.4 The ACC may, from time to time, adopt standards governing the performance or conduct of Owners, Contractors and their respective employees within TWIN CREEKS. Each Owner shall comply with such standards and cause its respective employees to also comply with same. The ACC may also promulgate requirements to be inserted in all contracts relating to construction within TWIN CREEKS and each Owner shall include the same therein.

19.13 Inspection. There is specifically reserved to the Association and ACC and to any agent or member of either of them, the right of entry and inspection upon any portion of TWIN CREEKS at any time within reasonable daytime hours, for the purpose of determining whether there exists any violation of the terms of any approval or the terms of this Declaration or the Community Standards.

19.14 Violation. Without limiting any other provision herein, if any improvement shall be constructed or altered without prior written approval, or in a manner which fails to conform with the approval granted, the Owner shall, upon demand of the Association or the ACC, cause such improvement to be removed, or restored until approval is obtained or in order to comply with the plans and specifications originally approved. The applicable Owner shall be liable for the payment of all costs of removal or restoration, including all costs and attorneys' fees and paraprofessional fees at all levels including appeals, collections and bankruptcy, incurred by the Association or ACC. The costs shall be deemed an Individual Assessment and enforceable pursuant to the provisions of this Declaration. The ACC and/or the Association are specifically empowered to enforce the architectural and landscaping provisions of this Declaration and the Community Standards, by any legal or equitable remedy.

19.15 Court Costs. In the event that it becomes necessary to resort to litigation to determine the propriety of any constructed improvement or to cause the removal of any unapproved improvement, the prevailing party shall be entitled to recover court costs, expenses and attorneys' fees and paraprofessional fees at all levels, including appeals, collections and bankruptcy, in connection therewith.

19.16 Certificate. In the event that any Owner fails to comply with the provisions contained herein, the Community Standards, or other rules and regulations promulgated by the ACC, the Association and/or ACC may, in addition to all other remedies contained herein, record a Certificate of Non-Compliance against the Lot stating that the improvements on the Lot fail to meet the requirements of this Declaration and that the Lot is subject to further enforcement remedies.

19.17 Certificate of Compliance. If requested by an Owner, prior to the occupancy of any improvement constructed or erected on any Lot by other than the Declarant, or its designees, the Owner shall obtain a Certificate of Compliance from the ACC, certifying that the Owner has complied with the requirements set forth herein. The ACC may, from time to time, delegate to a member or members of the ACC the responsibility for issuing the Certificate of Compliance. The issuance of a Certificate of Compliance does not abrogate the ACC's rights set forth in this Section 19.

19.18 Exemption. Notwithstanding anything to the contrary contained in the Governing Documents, including, without limitation, the Community Standards, any improvements of any nature made or to be made by the Declarant, Builders, or their nominees, including, without limitation, improvements made or to be made to the Common Areas or Facilities, or any Lot or Home, shall not be subject to the Community Standards and/or review and approval by the ACC or the Association.

19.19 Exculpation. The Declarant, the Association, Builders, the directors or officers of the Association, the ACC, the members of the ACC, or any person acting on behalf of any of them, shall not be liable for any cost or damages incurred by any Owner or any other party whatsoever, due to any mistakes in judgment, negligence, or any action of the Declarant, Builders, the Association, ACC or their members, officers, or directors, in connection with the approval or disapproval of plans and specifications. Each Owner agrees, individually and on behalf of its heirs, successors and assigns by acquiring title to a Lot, that it shall not bring any action or suit against the Declarant, the Association, Builders, or their respective directors or officers, the ACC or the members of the ACC, or their respective agents, in order to recover any damages caused by the actions of the Declarant, Builders, the Association, or ACC or their respective members, officers, or directors in connection with the provisions of this Section 19. The Association does hereby indemnify, defend and hold harmless the Declarant, Builders, and each of their members, officers, directors, shareholders, and any related persons or corporations and their employees, harmless from all costs, expenses, and liabilities, including attorneys' fees and paraprofessional fees at all levels, including appeals, of all nature resulting by virtue of the acts of the Owners, the Association, ACC or their members, officers and directors. The Declarant, Builders, the Association, its directors or officers, the ACC or its members, or any person acting on behalf of any of them, shall not be responsible for any defects in any plans or specifications or the failure of same to comply with applicable laws or code nor for any defects in any improvements constructed pursuant thereto. Each party submitting plans and specifications for approval shall be solely responsible for the sufficiency thereof and for the quality of construction performed pursuant thereto.

20. Enforcement.

20.1 Right to Cure. Should any Owner do any of the following:

20.1.1 Fail to perform its responsibilities as set forth herein or otherwise breach the provisions of the Declaration including, without limitation, any provision herein benefiting SWFWMD;

20.1.2 Cause any damage to any improvement or Common Areas or Facilities;

THIS IS NOT A CERTIFIED COPY

20.1.3 Impede the Declarant, any Builder, the District or the Association from exercising its rights or performing its responsibilities hereunder;

20.1.4 Undertake unauthorized improvements or modifications to a Lot, the Common Areas, or the Facilities; or

20.1.5 Impede the Declarant from proceeding with the construction of Homes or completing the development of TWIN CREEKS; then the Declarant and/or the Association, where applicable, after reasonable prior written notice, shall have the right, through its agents and employees, to cure the breach, including, but not limited to, the entering upon the Lot and causing the default to be remedied and/or the required repairs or maintenance to be performed, or as the case may be, remove unauthorized improvements or modifications. The cost thereof, plus reasonable overhead costs and attorneys' fees and paraprofessional fees at all levels including appeals, collections and bankruptcy, incurred shall be assessed against the Owner as an Individual Assessment.

20.2 Non-Monetary Defaults. In the event of a violation by any Owner, other than the nonpayment of any Assessment or other monies, of any of the provisions of this Declaration, the Declarant or the Association shall notify the Owner of the violation, by written notice. If such violation is not cured as soon as practicable and in any event within seven (7) days after such written notice, the party entitled to enforce same may, at its option:

20.2.1 Commence an action to enforce the performance on the part of the Owner, or to enjoin the violation or breach or for equitable relief as may be necessary under the circumstances, including injunctive relief; and/or

20.2.2 Commence an action to recover damages; and/or

20.2.3 Take any and all action reasonably necessary to correct the violation or breach.

All expenses incurred in connection with the violation or breach, or the commencement of any action against any Owner, including reasonable attorneys' fees and paraprofessional fees at all levels including appeals, collections and bankruptcy shall be assessed against the Owner, as an Individual Assessment, and shall be immediately due and payable without further notice.

20.3 No Waiver. The failure to enforce any right, provision, covenant or condition in this Declaration, shall not constitute a waiver of the right to enforce such right, provision, covenant or condition in the future.

20.4 Rights Cumulative. All rights, remedies, and privileges granted to the Declarant, the Association and/or the ACC pursuant to any terms, provisions, covenants or conditions of this Declaration, or Community Standards, shall be deemed to be cumulative, and the exercise of any one or more shall neither be deemed to constitute an election of remedies, nor shall it preclude any of them from pursuing such additional remedies, rights or privileges as may be granted or as it might have by law.

20.5 Enforcement By or Against Other Persons. In addition to the foregoing, this Declaration or Community Standards may be enforced by the Declarant and/or, where applicable, the District, Owners, Builders, and/or the Association by any procedure at law or in equity against any person violating or attempting to violate any provision herein, to restrain such violation, to require compliance with the provisions contained herein, to recover damages, or to enforce any lien created herein. The Association has the right, but not the obligation, to enforce the provisions of this Declaration and the Community Standards. The expense of any litigation to enforce this Declaration or Community Standards shall be borne by the person against whom enforcement is sought, provided such proceeding results in a finding that such person was in violation of this Declaration or the Community Standards. SWFWMD shall

have the right to enforce, by a proceeding at law or in equity, the provisions contained in the Declaration which relate to the maintenance, operation and repair of SWMS.

20.6 Fines and Suspensions. The Board may suspend, for reasonable periods of time, the rights of an Owner or an Owner's Lessees, guests and invitees, or both, to use the Common Areas and Facilities and may levy reasonable fines, not to exceed the maximum amounts permitted by Section 720.305(2), Florida Statutes (2016), against an Owner, Lessee, guest or invitee, for failure to comply with any provision of this Declaration, including, without limitation, those provisions benefiting SWFWMD.

20.6.1 A fine may be levied on the basis of each day of a continuing violation, with a single notice and opportunity for hearing. Fines in the aggregate are not capped to any amount.

20.6.2 A fine or suspension may not be imposed without notice of at least fourteen (14) days to the person sought to be fined or suspended and an opportunity for a hearing before a committee of at least three (3) persons (the "**Violations Committee**") appointed by the Board who are not officers, directors or employees of the Association, or the spouse, parent, child, brother, sister of an officer, director or employee. If the Violations Committee does not by a majority vote approve a fine or suspension the same may not be imposed. The written notice of violation shall be in writing to the Owner, Lessee, guest or invitee and detail the infraction or infractions. Included in the notice shall be the date and time of the hearing of the Violations Committee. If the Association imposes a fine or suspension, the Association must provide written notice of such suspension by mail or hand delivery to the Owner or Lessee. The notice and hearing requirements under this Section 20.6.2 do not apply to suspensions imposed due to an Owner's failure to pay monetary obligations due to the Association; however, any such suspension must be approved at a properly noticed meeting of the Board.

20.6.3 The non-compliance shall be presented to the Violations Committee acting as a tribunal, after which the Violations Committee shall hear reasons why a fine should not be imposed. The hearing shall be conducted in accordance with the procedures adopted by the Violations Committee from time to time. A written decision of the Violations Committee shall be submitted to the Owner, Lessee, guest or invitee, as applicable, by not later than twenty-one (21) days after the meeting of the Violations Committee. The Owner, Lessee, guest or invitee shall have a right to be represented by counsel and to cross-examine witnesses.

20.6.4 The Violations Committee may impose a fine against the Owner in the amount of One Hundred and no/100 Dollars (\$100.00) (or any greater amount permitted by law from time to time) for each violation. Each day of non-compliance shall be treated as a separate violation and there is no cap on the aggregate amount the Violations Committee may fine an Owner, Lessee, guest or invitee. Fines shall be paid not later than five (5) days after notice of the imposition of the fine. All monies received from fines shall be allocated as directed by the Board. Any fine in excess of One Thousand Dollars (\$1,000.00) shall constitute a lien against the applicable Lot, and a fine shall further be lienable to the extent otherwise permitted under Florida law.

21. Additional Rights of Declarant and Builder.

21.1 Sales and Administrative Offices. The Declarant and Builder shall have the perpetual right to take such action reasonably necessary to transact any business necessary to consummate the development of TWIN CREEKS and sales and re-sales of Lots, Homes and/or other properties owned by the Declarant or Builder outside of TWIN CREEKS. This right shall include, but not be limited to, the right to maintain models, sales offices and parking associated therewith, have signs on any portion of TWIN CREEKS, including Common Areas or Facilities, as applicable, employees in the models and offices without the payment of rent or any other fee, maintain offices in models and use of the Common Areas or Facilities, as applicable, to show Lots or Homes. The sales offices and models, signs and all items

pertaining to development and sales remain the property of the Declarant and/or Builder, as applicable. The Declarant and Builder shall have all of the foregoing rights without charge or expense. The rights reserved hereunder shall extend beyond the Turnover Date.

21.2 Modification. The development and marketing of TWIN CREEKS will continue as deemed appropriate in the Declarant's sole discretion, and nothing in this Declaration or Community Standards, or otherwise, shall be construed to limit or restrict such development and marketing. It may be necessary or convenient for the development of TWIN CREEKS to, as an example and not a limitation, amend the Master Plan, modify the boundary lines of the Common Areas, grant easements, dedications, agreements, licenses, restrictions, reservations, covenants, rights-of-way, and to take such other actions which the Declarant, or its agents, affiliates, or assignees may deem necessary or appropriate. The Association and Owners shall, at the request of the Declarant, execute and deliver any and all documents and instruments which the Declarant deems necessary or convenient, in its sole and absolute discretion, to accomplish the same. Any modification of the development plans for TWIN CREEKS, including without limitation, amendments to the Master Plan, modification the boundary lines of the Common Areas, granting easements, dedications, agreements, licenses, restrictions, reservations, covenants, rights-of-way, shall require the Builders' prior written consent, which may be withheld for any reason.

21.3 Promotional Events. Prior to the Community Completion Date, the Declarant, Builders and their assigns, shall have the right, at any time, to hold marketing, special and/or promotional events within TWIN CREEKS and/or on the Common Areas without any charge for use. The Declarant, Builder, their agents, affiliates, or assignees shall have the right to market TWIN CREEKS in advertisements and other media by making reference to TWIN CREEKS, including, but not limited to, pictures or drawings of TWIN CREEKS, Common Areas, Parcels, Lots and Homes constructed in TWIN CREEKS. All logos, trademarks, and designs used in connection with TWIN CREEKS are the property of the Declarant, and the Association shall have no right to use the same after the Community Completion Date except with the express written permission of the Declarant.

21.4 Use by Prospective Purchasers. Prior to the Community Completion Date, the Declarant and Builders shall have the right, without charge, to use the Common Areas and Facilities for the purpose of entertaining prospective purchasers of Lots, Homes, or other properties owned by the Declarant and Builders outside of TWIN CREEKS.

21.5 Franchises. The Declarant may grant franchises or concessions to commercial concerns on all or part of the Common Areas and shall be entitled to all income derived therefrom.

21.6 Management. The Declarant also may contract with a third party ("Manager") for management of the Association and the Common Areas.

21.7 Easements. Until the Community Completion Date, the Declarant reserves the exclusive right to grant, in its sole discretion, easements, permits and/or licenses for ingress and egress, drainage, utilities, maintenance, Telecommunications Services and other purposes over, under, upon and across TWIN CREEKS so long as any said easements do not materially and adversely interfere with the intended use of Homes previously conveyed to Owners or Builders. By way of example, and not of limitation, the Declarant may be required to take certain action, or make additions or modifications to the Common Areas in connection with an environmental program. All easements necessary for such purposes are reserved in favor of the Declarant, in perpetuity, for such purposes. Without limiting the foregoing, the Declarant may relocate any easement affecting a Lot, or grant new easements over a Lot, after conveyance to an Owner, without the joinder or consent of such Owner, so long as the grant of easement or relocation of easement does not materially and adversely affect the Owner's use of the Lot. As an illustration, the Declarant may grant an easement for telecommunications systems, irrigation, drainage lines or electrical lines over any portion of a Lot so long as such easement is outside the footprint of the foundation of any residential improvement constructed on such Lot. The Declarant shall have the sole right to any fees of any nature associated therewith, including, but not limited to, license or

THIS IS NOT A CERTIFIED COPY

similar fees on account thereof. The Association and Owners will, without charge, if requested by the Declarant: (i) join in the creation of such easements, etc. and cooperate in the operation thereof; and (ii) collect and remit fees associated therewith, if any, to the appropriate party. The Association will not grant any easements, permits or licenses to any other entity providing the same services as those granted by the Declarant, nor will it grant any such easement, permit or license prior to the Community Completion Date without the prior written consent of the Declarant which may be granted or denied in its sole discretion. Notwithstanding the foregoing, the Declarant is required to obtain the prior written consent of any Builder whose Lot shall be affected by new or relocated easements before such easements affect such Builder's Lot.

21.8 Right to Enforce. The Declarant has the right, but not the obligation, to enforce the provisions of this Declaration and the Community Standards and to recover all costs relating thereto, including attorneys' fees and paraprofessional fees at all levels of proceeding, including appeals, collections and bankruptcy. Such right shall include the right to perform the obligations of the Association and to recover all costs incurred in doing so.

21.9 Additional Development. If the Declarant withdraws portions of TWIN CREEKS from the operation of this Declaration, the Declarant may, but is not required to, subject to governmental approvals, create other forms of residential property ownership or other improvements of any nature on the property not subjected to or withdrawn from the operation of this Declaration. The Declarant shall not be liable or responsible to any person or entity on account of its decision to do so or to provide, or fail to provide, the amenities and/or facilities which were originally planned to be included in such areas. If so designated by the Declarant, owners or tenants of such other forms of housing or improvements upon their creation may share in the use of all or some of the Common Areas and other facilities and/or roadways that remain subject to this Declaration. The expense of the operation of such facilities shall be allocated to the various users thereof, if at all, as determined by the Declarant.

21.10 Representations. Neither the Declarant nor any Builder makes any representations concerning development both within and outside the boundaries of TWIN CREEKS including, but not limited to, the number, design, boundaries, configuration and arrangements, prices of all Parcels or Homes and buildings in all other proposed forms of ownership and/or other improvements on TWIN CREEKS or adjacent to or near TWIN CREEKS, including, but not limited to, the size, location, configuration, elevations, design, building materials, height, view, airspace, number of Homes, number of buildings, location of easements, parking and landscaped areas, services and amenities offered.

21.11 [Intentionally Omitted]

21.12 Non-Liability. NOTWITHSTANDING ANYTHING TO THE CONTRARY IN THE GOVERNING DOCUMENTS, NEITHER THE DECLARANT, ANY BUILDER, NOR THE ASSOCIATION SHALL BE LIABLE OR RESPONSIBLE FOR, OR IN ANY MANNER A GUARANTOR OR INSURER OF, THE HEALTH, SAFETY OR WELFARE OF ANY OWNER, OCCUPANT OR USER OF ANY PORTION OF TWIN CREEKS INCLUDING, WITHOUT LIMITATION, RESIDENTS AND THEIR FAMILIES, GUESTS, LESSEES, LICENSEES, INVITEES, AGENTS, SERVANTS, CONTRACTORS, AND/OR SUBCONTRACTORS OR FOR ANY PROPERTY OF ANY SUCH WITHOUT LIMITING THE GENERALITY OF THE FOREGOING:

21.12.1 IT IS THE EXPRESS INTENT OF GOVERNING DOCUMENTS THAT THE VARIOUS PROVISIONS THEREOF WHICH ARE ENFORCEABLE BY THE ASSOCIATION AND WHICH GOVERN OR REGULATE THE USES OF TWIN CREEKS HAVE BEEN WRITTEN, AND ARE TO BE INTERPRETED AND ENFORCED, FOR THE SOLE PURPOSE OF ENHANCING AND MAINTAINING THE ENJOYMENT OF TWIN CREEKS AND THE VALUE THEREOF;

21.12.2 THE ASSOCIATION IS NOT EMPOWERED, AND HAS NOT BEEN CREATED, TO ACT AS AN AGENCY WHICH ENFORCES OR ENSURES THE COMPLIANCE

THIS IS NOT A CERTIFIED COPY

WITH THE LAWS OF THE STATE OF FLORIDA AND/OR HILLSBOROUGH COUNTY OR PREVENTS TORTIOUS ACTIVITIES;

21.12.3 THE PROVISIONS OF GOVERNING DOCUMENTS SETTING FORTH THE USES OF ASSESSMENTS SHALL BE APPLIED ONLY AS LIMITATIONS ON THE USES OF ASSESSMENT FUNDS AND NOT AS CREATING A DUTY OF THE ASSOCIATION TO PROTECT OR FURTHER THE HEALTH, SAFETY, OR WELFARE OF ANY PERSON(S), EVEN IF ASSESSMENT FUNDS ARE CHOSEN TO BE USED FOR ANY SUCH REASON; AND

21.12.4 EACH OWNER (BY VIRTUE OF ITS ACCEPTANCE OF TITLE TO A HOME) AND EACH OTHER PERSON HAVING AN INTEREST IN OR LIEN UPON, OR MAKING A USE OF, ANY PORTION OF TWIN CREEKS (BY VIRTUE OF ACCEPTING SUCH INTEREST OR LIEN OR MAKING SUCH USE) SHALL BE BOUND BY THIS SECTION AND SHALL BE DEEMED TO HAVE AUTOMATICALLY WAIVED ANY AND ALL RIGHTS, CLAIMS, DEMANDS AND CAUSES OF ACTION AGAINST THE ASSOCIATION ARISING FROM OR CONNECTED WITH ANY MATTER FOR WHICH THE LIABILITY OF THE ASSOCIATION HAS BEEN DISCLAIMED IN THIS SECTION OR OTHERWISE. AS USED IN THIS SECTION, "ASSOCIATION" SHALL INCLUDE WITHIN ITS MEANING ALL OF THE ASSOCIATION'S DIRECTORS, OFFICERS, COMMITTEE AND BOARD MEMBERS, EMPLOYEES, AGENTS, CONTRACTORS (INCLUDING MANAGEMENT COMPANIES, MANAGERS, SUBCONTRACTORS, SUCCESSORS AND ASSIGNS).

21.13 Resolution of Disputes. BY ACCEPTANCE OF A DEED, EACH OWNER AGREES THAT THE GOVERNING DOCUMENTS ARE VERY COMPLEX; THEREFORE, ANY CLAIM, DEMAND ACTION, OR CAUSE OF ACTION, WITH RESPECT TO ANY ACTION, PROCEEDING, CLAIM COUNTERCLAIM, OR CROSS CLAIM, WHETHER IN CONTRACT AND/OR IN TORT (REGARDLESS IF THE TORT ACTION IS PRESENTLY RECOGNIZED OR NOT), BASED ON, ARISING OUT OF IN CONNECTION WITH OR IN ANY WAY RELATED TO THE GOVERNING DOCUMENTS, INCLUDING ANY COURSE OF CONDUCT, COURSE OF DEALING, VERBAL OR WRITTEN STATEMENT, VALIDATION PROTECTION, ENFORCEMENT ACTION OR OMISSION OF ANY PARTY SHOULD BE HEARD IN A COURT PROCEEDING BY A JUDGE AND NOT A JURY IN ORDER TO BEST SERVE JUSTICE. THE DECLARANT HEREBY SUGGESTS THAT EACH OWNER UNDERSTAND THE LEGAL CONSEQUENCES OF ACCEPTING A DEED TO A HOME.

21.14 Venue. EACH OWNER ACKNOWLEDGES REGARDLESS OF WHERE SUCH OWNER (i) EXECUTED A PURCHASE AND SALE AGREEMENT, (ii) RESIDES, (iii) OBTAINS FINANCING OR (iv) CLOSED ON A HOME, EACH HOME IS LOCATED IN HILLSBOROUGH COUNTY, FLORIDA. ACCORDINGLY, AN IRREBUTTABLE PRESUMPTION EXISTS THAT THE APPROPRIATE VENUE FOR THE RESOLUTION OF ANY DISPUTE LIES IN HILLSBOROUGH COUNTY, FLORIDA. IN ADDITION TO THE FOREGOING, EACH OWNER AND THE DECLARANT AGREES THAT THE VENUE FOR RESOLUTION OF ANY DISPUTE LIES IN HILLSBOROUGH COUNTY, FLORIDA.

21.15 Reliance. BEFORE ACCEPTING A DEED TO A HOME, EACH OWNER HAS AN OBLIGATION TO RETAIN AN ATTORNEY IN ORDER TO CONFIRM THE VALIDITY OF THIS DECLARATION. BY ACCEPTANCE OF A DEED TO A HOME, EACH OWNER ACKNOWLEDGES THAT HE OR SHE HAS SOUGHT AND RECEIVED SUCH AN OPINION OR HAS MADE AN AFFIRMATIVE DECISION NOT TO SEEK SUCH AN OPINION. THE DECLARANT AND BUILDERS ARE RELYING ON EACH OWNER CONFIRMING IN ADVANCE OF ACQUIRING A HOME THAT THIS DECLARATION IS VALID, FAIR AND ENFORCEABLE. SUCH RELIANCE IS DETRIMENTAL TO THE DECLARANT AND BUILDER. ACCORDINGLY, AN ESTOPPEL AND WAIVER EXISTS PROHIBITING EACH OWNER FROM TAKING THE POSITION THAT ANY PROVISION OF THIS DECLARATION IS INVALID IN ANY RESPECT. BYLAWS OF TWIN CREEKS COMMUNITY ASSOCIATION, INC.

1. Name and Location. The name of the corporation is TWIN CREEKS COMMUNITY ASSOCIATION, INC., a Florida not-for-profit corporation (the "**Association**"). The principal office of the corporation shall be located at 4600 West Cypress Street, Suite 200, Tampa, Florida 33607, or at such other location determined by the Board of Directors (the "**Board**") from time to time.

2. Definitions. The definitions contained in the COMMUNITY DECLARATION FOR TWIN CREEKS (the "**Declaration**") relating to the residential community known as TWIN CREEKS, recorded, or to be recorded, in the Public Records of Hillsborough County, Florida, are incorporated herein by reference and made a part hereof. In addition to the terms defined in the Declaration, the following terms shall have the meanings set forth below:

"**Minutes**" shall mean the minutes of all member and Board meetings, which shall be in the form required by the Florida Statutes. In the absence of governing Florida Statutes, the Board shall determine the form of the minutes.

"**Official Records**" shall mean all records required to be maintained by the Association pursuant to Section 720.303(4), Florida Statutes (2016).

3. Members.

3.1 Voting Interests. Each Owner and the Declarant shall be a member of the Association. No person who holds an interest in a Lot only as security for the performance of an obligation shall be a member of the Association. Membership shall be appurtenant to, and may not be separated from, ownership of any Lot. There shall be one (1) vote appurtenant to each Lot. Prior to the Turnover, the Declarant shall have Voting Interests equal to nine (9) votes per Lot owned. Thereafter, the Declarant shall have Voting Interest equal to one (1) vote for each Lot owned. For the purposes of determining who may exercise the Voting Interest associated with each Lot, the following rules shall govern:

3.1.1 Home Owned By Legally Married Couple. Either spouse (but not both) may exercise the Voting Interest with respect to a Lot. In the event the spouses cannot agree, neither may exercise the Voting Interest.

3.1.2 Trusts. In the event that any trust owns a Lot, the Association shall have no obligation to review the trust agreement with respect to such trust. By way of example, if the Lot is owned by Robert Smith, as Trustee, Robert Smith shall be deemed the Owner of the Lot for all Association purposes. If the Lot is owned by Robert Smith as Trustee for the Laura Jones Trust, then Robert Smith shall be deemed the member with respect to the Lot for all Association purposes. If the Lot is owned by the Laura Jones Trust, and the deed does not reference a trustee, then Laura Jones shall be deemed the member with respect to the Lot for all Association purposes. If the Lot is owned by the Jones Family Trust, the Jones Family Trust may not exercise its Voting Interest unless it presents to the Association, in the form of an attorney opinion letter or affidavit reasonably acceptable to the Association, the identification of the person who should be treated as the member with respect to the Lot for all Association purposes. If Robert Smith and Laura Jones, as Trustees, hold title to a Lot, either trustee may exercise the Voting Interest associated with such Lot. In the event of a conflict between trustees, the Voting Interest for the Lot in question cannot be exercised. In the event that any other form of trust ownership is presented to the Association, the decision of the Board as to who may exercise the Voting Interest with respect to any Lot shall be final. The Association shall have no obligation to obtain an attorney opinion letter in making its decision, which may be made on any reasonable basis whatsoever.

THIS IS NOT A CERTIFIED COPY

3.1.3 Corporations. If a Lot is owned by a corporation, the corporation shall designate a person, an officer, employee, or agent who shall be treated as the member who can exercise the Voting Interest associated with such Lot.

3.1.4 Partnerships. If a Lot is owned by a limited partnership, any one of the general partners may exercise the Voting Interest associated with such Lot. By way of example, if the general partner of a limited partnership is a corporation, then the provisions hereof governing corporations shall govern which person can act on behalf of the corporation as general partner of such limited partnership. If a Lot is owned by a general partnership, any one of the general partners may exercise the Voting Interest associated with such Lot. In the event of a conflict among general partners entitled to exercise a Voting Interest, the Voting Interest for such Lot cannot be exercised.

3.1.5 Multiple Individuals. If a Lot is owned by more than one individual, any one of such individuals may exercise the Voting Interest with respect to such Lot. In the event that there is a conflict among such individuals, the Voting Interest for such Lot cannot be exercised.

3.1.6 Liability of the Association. The Association may act in reliance upon any writing or instrument or signature, whether original or by Electronic Transmission, which the Association, in good faith, believes to be genuine, may assume the validity and accuracy of any statement or assertion contained in such a writing or instrument, and may assume that any person purporting to give any writing, notice, advice or instruction in connection with the provisions hereof has been duly authorized to do so. So long as the Association acts in good faith, the Association shall have no liability or obligation with respect to the exercise of Voting Interests, and no election shall be invalidated (in the absence of fraud) on the basis that the Association permitted or denied any person the right to exercise a Voting Interest. In addition, the Board may impose additional requirements respecting the exercise of Voting Interests (e.g., the execution of a Voting Certificate).

3.2 Annual Meetings. The annual meeting of the members (the "**Annual Members Meeting**") shall be held at least once each calendar year on a date, at a time, and at a place to be determined by the Board.

3.3 Special Meetings of the Members. Special meetings of the members (a "**Special Members Meeting**") may be called by the President, a majority of the Board, or upon written request of thirty percent (30%) of the Voting Interests of the members. The business to be conducted at a Special Members Meeting shall be limited to the extent required by Florida Statutes.

3.4 Notice of Members Meetings. Written notice of each members meeting shall be given by, or at the direction of, any officer of the Board or any management company retained by the Association. A copy of the notice shall be given to each member entitled to vote, not less than ten (10) days before the meeting (provided, however, in the case of an emergency, two (2) days' notice will be deemed sufficient), unless otherwise required by Florida law. Written notice is effective (i) when mailed, if mailed postpaid and correctly addressed to the members' address last appearing on the books; or (ii) when transmitted by any form of Electronic Transmission. The notice shall specify the place, day, and hour of the meeting and, in the case of a Special Members Meeting, the purpose of the meeting. Alternatively, and to the extent not prohibited by the Florida Statutes, as amended from time to time, the Board may, by majority consent, adopt from time to time, other procedures for giving notice to the members of the Annual Members Meeting or a Special Members Meeting. By way of example, and not of limitation, such notice may be included in a newsletter sent to each member.

3.5 Quorum of Members. Until the Turnover, a quorum shall be established by the Declarant's presence, in person or by proxy, at any meeting. After the Turnover, a quorum for purposes of conducting business shall be established by the presence, in person or by proxy, of the members entitled to cast twenty percent (20%) of the total Voting Interests. To the extent permitted by applicable

THIS IS NOT A CERTIFIED COPY

law, as amended from time to time, members may attend members' meetings and vote as if physically present via telephone, real-time videoconferencing, or similar real-time electronic or video communication. A member's attendance via telephone, real-time videoconferencing, or similar real-time electronic or video communication shall count toward the quorum requirements as if such member was physically present. In the event members elect not to be physically present at a members' meeting, a speaker must be used so that the conversation of such members may be heard by the Board or committee members attending in person as well as by any Owners present at the meeting. Notwithstanding the foregoing or any other provision of these Bylaws to the contrary, members may attend and participate via telephone, real-time videoconferencing, or similar real-time electronic or video communication only if a majority of the Board approved such manner of attendance.

3.6 Adjournment of Members Meetings. If, however, a quorum shall not be present at any members meeting, the meeting may be adjourned as provided in the Florida Statutes. In the absence of a provision in the Florida Statutes, the members present shall have power to adjourn the meeting and reschedule it on another date.

3.7 Action of Members. Decisions that require a vote of the members must be made by a concurrence of a majority of the Voting Interests present in person or by proxy, represented at a meeting at which a quorum has been obtained unless provided otherwise in the Declaration, the Articles, or these Bylaws.

3.8 Proxies. At all meetings, members may vote their Voting Interests in person or by proxy. In addition, to the extent permitted by the Board and to extent the Association adopted technology that facilitates voting remotely, members may also cast their votes utilizing such technology and participating via telephone, real-time videoconferencing, or similar real-time electronic or video communication. All proxies shall comply with the provisions of Section 720.306(8), Florida Statutes (2016), as amended from time to time, be in writing, and be filed with the Secretary at, or prior to, the meeting. Proxyholders may also attend and/or participate via telephone, real-time videoconferencing, or similar real-time electronic or video communication so long as the proxies are delivered to the Secretary at or prior to the meeting and otherwise in compliance with this Section 3.8. Every proxy shall be revocable prior to the meeting for which it is given.

4. Board of Directors.

4.1 Number. The affairs of the Association shall be managed by a Board consisting of no less than three (3) persons and no more than five (5) persons. Board members appointed by the Declarant need not be members of the Association. Board members elected by Owners must be members of the Association. Pursuant to Section 720.307(2), Florida Statutes (2016) Owners are entitled to elect one (1) member of the Board (the "**Pre-Turnover Director**") when fifty percent (50%) of all the Lots ultimately planned for TWIN CREEKS are conveyed to Owners, provided the Owners exercise such right. In the event the Owners do not exercise the right to elect the Pre-Turnover Director, then a vacancy on the Board shall occur and the remaining members of the Board may fill such vacancy.

4.2 Term of Office. The term of office for the Pre-Turnover Director shall end at the next Annual Members Meeting after the Pre-Turnover Director's election, or on the date the Turnover election takes place (the "**Turnover Date**"), whichever occurs first. In the event that the Pre-Turnover Director's term expires at the Annual Members Meeting, a new Pre-Turnover Director shall be elected by the Owners at the next Annual Members Meeting or on the Turnover Date, whichever occurs first, with the election process repeated thereafter until Turnover. Except with respect to the Pre-Turnover Director, the election of Directors shall take place after the Declarant no longer has the authority to appoint a majority Board and shall take place on the Turnover Date. On the Turnover Date the members shall elect three (3) Directors: one (1) Director for a term of one (1) year, one (1) Director for a term two (2) years, and one (1) Director for a term of three (3) years. The candidates receiving the most votes shall be elected to office. Of such candidates receiving the most votes, the candidate with the most votes shall serve as the Director for three (3) years; the candidate receiving the second highest number of votes shall serve as Director for two (2) years; and the candidate receiving the least amount of votes shall serve as Director

for one (1) year. At each Annual Members Meeting thereafter, the members shall elect the appropriate number of Directors for a term of two (2) years. Each Director's respective term shall end upon the election of new Directors at the Annual Members Meeting (except that the term of any Director appointed by the Declarant shall extend until the date designated by the Declarant, or until the Turnover Date).

4.3 Removal. Any vacancy created by the resignation or removal of a Board member appointed by the Declarant may be replaced by the Declarant. The Declarant may replace or remove any Board member appointed by the Declarant in the Declarant's sole and absolute discretion. In the event of death or resignation of a Director elected by the members, the remaining Directors may fill such vacancy. Directors may be removed with or without cause by the vote or agreement in writing of members holding a majority of the Voting Interests.

4.4 Compensation. No Director shall receive compensation for any service rendered as a Director to the Association; provided, however, any Director may be reimbursed for actual expenses incurred as a Director.

4.5 Action Taken Without a Meeting. Except to the extent prohibited by law, the Board shall have the right to take any action without a meeting by obtaining the written approval of the required number of Directors. Any action so approved shall have the same effect as though taken at a meeting of Directors.

4.6 Appointment and Election of Directors. Until the Turnover, the Declarant shall have the unrestricted power to appoint a majority of the Directors of the Association. Subject to Declarant's right to appoint a Director as permitted by Section 720.307(3), Florida Statutes (2016), from and after the expiration of the Turnover, or such earlier date determined by the Declarant in its sole and absolute discretion, the Members shall elect all Directors of the Association at or in conjunction with the Annual Members Meeting.

4.7 Nomination. Prior to each election at which Owners are entitled to elect any of the Directors, the Board shall prescribe (and communicate to the members) the opening date and the closing date of a reasonable filing period ("**Candidate Filing Period**") in which every eligible person who has an interest in serving as a Director may file as a candidate for such Director position. The Board may also appoint a Nominating Committee to make nominations for election of Directors to the Board. A Nominating Committee, if appointed, shall consist of a Chairman, who shall be a member of the Board of Directors, and two (2) or more members of the Association. Any Nominating Committee shall serve for a term of one (1) year or until its successors are appointed. In preparation for each election, the Nominating Committee, if appointed, shall meet and make as many nominations for election to the Board as it shall in its discretion determine, but in no event less than the number of Directors' positions to be filled at such election. Any member may nominate himself or herself as a candidate by notice to the Nominating Committee (or to the Secretary if there is no Nominating Committee) within the Candidate Filing Period.

4.8 Election. Each member may cast as many votes as the member has under the provisions of the Declaration, for each vacancy on which such member is entitled to vote. If the number of candidates nominated is equal to or less than the number of positions to be filled, then those candidates shall be deemed elected without the necessity of a vote. If the number of candidates nominated exceeds the number of positions to be filled, an election shall be held, and the person receiving the largest number of votes cast by the members (for each vacancy on which such members are entitled to vote) is elected. Cumulative voting is not permitted. So long as required by Section 720.306(9), Florida Statutes (2016), any election dispute between a member and the Association shall be resolved by mandatory binding arbitration with the Division of Florida Condominiums, Timeshares, and Mobile Homes in the Department of Business and Professional Regulation. Any challenge to the election process must be commenced within sixty (60) days after the election results are announced.

5.1 Regular Meetings. Regular meetings of the Board shall be held on a schedule adopted by the Board from time to time. Meetings shall be held at such place and hour as may be fixed, from time to time, by resolution of the Board.

5.2 Special Meetings. Special meetings of the Board shall be held when called by the President, or by any two (2) Directors. Each Director shall be given not less than two (2) days' notice except in the event of an emergency. Notice may be waived. Attendance shall be a waiver of notice. Telephone conference meetings are permitted.

5.3 Emergencies. In the event of an emergency involving immediate danger of injury or death to any person or damage to property, if a meeting of the Board cannot be immediately convened to determine a course of action, the President or, in his absence, any other officer or director, shall be authorized to take such action on behalf of the Association as shall be reasonably required to appropriately respond to the emergency situation, including the expenditure of the Association funds in the minimum amount as may be reasonably required under the circumstances. The authority of officers to act in accordance herewith shall remain in effect until the first to occur of the resolution of the emergency situation or a meeting of the Board convened to act in response thereto.

5.4 Quorum. A majority of the number of Directors shall constitute a quorum for the transaction of business. Every act or decision done or made by a majority of the Directors present at a duly held meeting, at which a quorum is present, or in writing in lieu thereof, shall be an action of the Board. Directors may attend meetings via telephone, real-time videoconferencing, or similar real-time electronic or video communication. A Director's participation in a meeting via telephone, real-time videoconferencing, or similar real-time electronic or video communication counts toward a quorum, and such Director may vote as if physically present. A speaker must be used so that the conversation of Directors not physically present may be heard by the Board, as well as by any members present at the meeting. Members may not attend Board meetings via telephone, real-time videoconferencing, or similar real-time electronic or video communication.

5.5 Open Meetings. Meetings of the Board, and of any Committee of the Board, shall be open to all members.

5.6 Voting. Board members shall cast votes in the manner provided in the Florida Statutes. In the absence of a statutory provision, the Board shall establish the manner in which votes shall be cast.

5.7 Notice of Board Meetings. Notices of meetings of the Board shall be posted in a conspicuous place on the Common Areas at least 48 hours in advance, except in an event of an emergency. Alternatively, notice may be given to members in any other manner provided by Florida Statute, as amended from time to time. By way of example, and not of limitation, notice may be given in any newsletter distributed to the members. Written notice of Board meetings also may be provided when transmitted by any form of Electronic Transmission. For the purposes of giving notice, the area for notices to be posted selected by the Board shall be deemed a conspicuous place. Notwithstanding anything to the contrary herein, notice of any meeting of the Board at which an Assessment will be levied must be provided to all members at least fourteen (14) days before the meeting, which notice shall include a statement that Assessments will be considered at the meeting and the nature of the Assessments.

5.8 Electronic or Video Attendance. The Board may, by majority consent, permit any directors to participate in a regular or special meeting by, or conduct the meeting through the use of, any means of communication by which all Directors participating may simultaneously hear each other during the meeting, such as telephone, real-time videoconferencing, or similar real-time electronic or video communication. A Director participating in a meeting by this means is deemed to be present in person at the meeting. Notwithstanding any provision herein to the contrary, the meeting must be held at a location

that is accessible to a physically handicapped person if requested by a physically handicapped person who has a right to attend the meeting.

Dear Permittee(s):

The Southwest Florida Water Management District (District) is in receipt of your application for the Environmental Resource Permit. Based upon a review of the information you submitted, the application is approved. Please refer to the attached Notice of Rights to determine any legal rights you may have concerning the District's agency action on the permit application described in this letter.

If approved construction plans are part of the permit, construction must be in accordance with these plans. These drawings are available for viewing or downloading through the District's Application and Permit Search Tools located at www.WaterMatters.org/permits.

The District's action in this matter only becomes closed to future legal challenges from members of the public if such persons have been properly notified of the District's action and no person objects to the District's action within the prescribed period of time following the notification. The District does not publish notices of agency action. If you wish to limit the time within which a person who does not receive actual written notice from the District may request an administrative hearing regarding this action, you are strongly encouraged to publish, at your own expense, a notice of agency action in the legal advertisement section of a newspaper of general circulation in the county or counties where the activity will occur. Publishing notice of agency action will close the window for filing a petition for hearing. Legal requirements and instructions for publishing notices of agency action, as well as a noticing form that can be used, are available from the District's website at www.WaterMatters.org/permits/noticing. If you publish notice of agency action, a copy of the affidavit of publication provided by the newspaper should be sent to the District's Tampa Service Office for retention in this permit's File of Record.

Wetland/Other Surface Water Comments:

There is 0.55 acre of wetlands (FLUCCS 641) located within the project area for this ERP. Wetland impacts are not proposed or authorized by this permit. There are 7.0 acres of other surface waters features, consisting of 3.57 acres of streams (FLUCCS 510) and 3.43 acres of upland cut ponds (FLUCCS 534), located within the project area. Permanent filling impacts to 0.54 acre of the project surface waters will occur for construction of home sites, roadways, and stormwater management system components.

Mitigation Information

Mitigation Comments:

Wetland mitigation will not be required for permanent shading impacts to 0.04 acre of Tadpole Creek pursuant to Section 10.2.2. of the Applicants Handbook Volume I (A.H.V.I.) for Environmental Resource Permit Applications. Under this Section, wetland mitigation is not required for impacts that have been determined to be de minimis to fish, wildlife and listed species.

Wetland mitigation is not required for permanent filling impacts to the 0.5 acre of upland cut ponds pursuant to Subsection 10.2.2.2 of the Applicants Handbook Volume I (A.H.V.I.) for Environmental Resource Permit Applications. Under this Subsection, wetland mitigation is not required for impacts to wholly owned ponds that were constructed in uplands, which are less than one acres in area and do not provide significant habitat for threatened or endangered species.

Specific Conditions

1. If the ownership of the project area covered by the subject permit is divided, with someone other than the Permittee becoming the owner of part of the project area, this permit may be terminated, unless the terms of the permit are modified by the District or the permit is transferred pursuant to Rule 40D-1.6105, F.A.C. In such situations, each land owner shall obtain a permit (which may be a modification of this permit) for the land owned by that person. This condition shall not apply to the division and sale of lots or units in residential subdivisions or condominiums.
2. The Permittee shall retain the design professional registered or licensed in Florida, to conduct on-site observations of construction and assist with the as-built certification requirements of this project. The Permittee shall inform the District in writing of the name, address and phone number of the design professional so employed. This information shall be submitted prior to construction.
3. Wetland buffers shall remain in an undisturbed condition except for approved drainage facility construction/maintenance. No owner of property within the subdivision may perform any work, construction, maintenance, clearing, filling or any other type of activities within the wetlands or surface waters, wetland buffers, upland conservation areas, buffer compensation areas and drainage easements described in the approved permit and recorded plat of the subdivision, unless prior approval is received from the Southwest Florida Water Management District.
4. The following boundaries, as shown on the approved construction drawings, shall be clearly delineated on the site prior to initial clearing or grading activities:

wetland and surface water areas

wetland buffers

limits of approved wetland impacts

The delineation shall endure throughout the construction period and be readily discernible to construction and District personnel.
5. All wetland and surface water boundaries shown on the approved construction drawings shall be binding upon the Permittee and the District for the term of this permit. If this permit is extended, the wetland and surface water boundaries shall only remain binding for the term of such extension provided that physical conditions on the property, as solely determined by District staff, do not change so as to alter the boundaries of the delineated wetlands or other surface waters during the permit term, unless such change has been authorized by a permit issued under Part IV, Chapter 373, F.S.
6. For dry bottom retention systems, the retention area(s) shall become dry within 72 hours after a rainfall event. If a retention area is regularly wet, this situation shall be deemed to be a violation of this permit.
7. If limestone bedrock is encountered during construction of the stormwater management system, the District must be notified and construction in the affected area shall cease.
8. The Permittee shall notify the District of any sinkhole development in the stormwater management system within 48 hours of discovery and must submit a detailed sinkhole evaluation and repair plan for approval by the District within 30 days of discovery.

9. The Permitted Plan Set for this project includes:
the set received by the District on February 15, 2016.

10. If prehistoric or historic artifacts such as pottery or ceramics, stone or shell tools or metal implements, or any other physical remains that could be associated with Native American cultures or early colonial or American settlement are encountered at any time within the project area, the permittee shall cease all activities involving subsurface disturbance in the immediate vicinity of such discoveries. The permittee shall contact the Florida Department of State, Division of Historical Resources, Compliance Review Section at (850) 245-6333, as well as the District. Project activities in the immediate vicinity shall not resume without authorization from the District after coordination with the Division of Historical Resources. In the event that unmarked human remains are encountered during permitted activities, all work that may disturb the unmarked human remains shall stop immediately and the proper authorities notified in accordance with Section 872.05, Florida Statutes.

11. The operation and maintenance entity shall provide for the inspection of the permitted project after conversion of the permit to the operation and maintenance phase. For systems utilizing retention or wet detention, the inspections shall be performed five (5) years after operation is authorized and every five (5) years thereafter.

The operation and maintenance entity must maintain a record of each inspection, including the date of inspection, the name and contact information of the inspector, whether the system was functioning as designed and permitted, and make such record available upon request of the District.

Within 30 days of any failure of a stormwater management system or deviation from the permit, an inspection report shall be submitted using Form 62-330.311(1), "Operation and Maintenance Inspection Certification" describing the remedial actions taken to resolve the failure or deviation.

12. District staff must be notified in advance of any proposed construction dewatering. If the dewatering activity is likely to result in offsite discharge or sediment transport into wetlands or surface waters, a written dewatering plan must either have been submitted and approved with the permit application or submitted to the District as a permit prior to the dewatering event as a permit modification. A water use permit may be required prior to any use exceeding the thresholds in Chapter 40D-2, F.A.C.

13. Off-site discharges during construction and development shall be made only through the facilities authorized by this permit. Water discharged from the project shall be through structures having a mechanism suitable for regulating upstream stages. Stages may be subject to operating schedules satisfactory to the District.

14. The permittee shall complete construction of all aspects of the stormwater management system, including wetland compensation (grading, mulching, planting), water quality treatment features, and discharge control facilities prior to beneficial occupancy or use of the development being served by this system.

15. The following shall be properly abandoned and/or removed in accordance with the applicable regulations:
 - a. Any existing wells in the path of construction shall be properly plugged and abandoned by a licensed well contractor.

- b. Any existing septic tanks on site shall be abandoned at the beginning of construction.
- c. Any existing fuel storage tanks and fuel pumps shall be removed at the beginning of construction

- 16. All stormwater management systems shall be operated to conserve water in order to maintain environmental quality and resource protection; to increase the efficiency of transport, application and use; to decrease waste; to minimize unnatural runoff from the property and to minimize dewatering of offsite property.
- 17. This permit is valid only for the specific processes, operations and designs indicated on the approved drawings or exhibits submitted in support of the permit application. Any substantial deviation from the approved drawings, exhibits, specifications or permit conditions, including construction within the total land area but outside the approved project area(s), may constitute grounds for revocation or enforcement action by the District, unless a modification has been applied for and approved. Examples of substantial deviations include excavation of ponds, ditches or sump areas deeper than shown on the approved plans.
- 18. A "Recorded notice of Environmental Resource Permit," Form No. 62-330.090(1), shall be recorded in the public records of the County(s) where the project is located.
- 19. Surveys for nesting sandhill cranes (*Grus canadensis pratensis*) shall be conducted immediately prior to any construction that occurs during the January through August breeding season. If there is evidence of nesting during this period, all active Florida sandhill crane nests shall be buffered by 400 feet to avoid disturbance by human activities. If nesting is discovered after construction has begun or if maintaining the recommended buffer is not possible, the applicant shall contact Florida Fish and Wildlife Conservation Commission staff to discuss potential permitting needs.

EXHIBIT A

GENERAL CONDITIONS:

- 1 The following general conditions are binding on all individual permits issued under this chapter, except where the conditions are not applicable to the authorized activity, or where the conditions must be modified to accommodate, project-specific conditions.
- a. All activities shall be implemented following the plans, specifications and performance criteria approved by this permit. Any deviations must be authorized in a permit modification in accordance with Rule 62-330.315, F.A.C., or the permit may be revoked and the permittee may be subject to enforcement action.
 - b. A complete copy of this permit shall be kept at the work site of the permitted activity during the construction phase, and shall be available for review at the work site upon request by the Agency staff. The permittee shall require the contractor to review the complete permit prior to beginning construction.
 - c. Activities shall be conducted in a manner that does not cause or contribute to violations of state water quality standards. Performance-based erosion and sediment control best management practices shall be installed immediately prior to, and be maintained during and after construction as needed, to prevent adverse impacts to the water resources and adjacent lands. Such practices shall be in accordance with the *State of Florida Erosion and Sediment Control Designer and Reviewer Manual (Florida Department of Environmental Protection and Florida Department of Transportation June 2007)*, and the *Florida Stormwater Erosion and Sedimentation Control Inspector's Manual (Florida Department of Environmental Protection, Nonpoint Source Management Section, Tallahassee, Florida, July 2008)*, which are both incorporated by reference in subparagraph 62-330.050(8)(b)5, F.A.C., unless a project-specific erosion and sediment control plan is approved or other water quality control measures are required as part of the permit.
 - d. At least 48 hours prior to beginning the authorized activities, the permittee shall submit to the Agency a fully executed Form 62-330.350(1), "Construction Commencement Notice," [effective date], incorporated by reference herein (<http://www.flrules.org/Gateway/reference.asp?No=Ref-02505>), indicating the expected start and completion dates. A copy of this form may be obtained from the Agency, as described in subsection 62-330.010(5), F.A.C. If available, an Agency website that fulfills this notification requirement may be used in lieu of the form.
 - e. Unless the permit is transferred under Rule 62-330.340, F.A.C., or transferred to an operating entity under Rule 62-330.310, F.A.C., the permittee is liable to comply with the plans, terms and conditions of the permit for the life of the project or activity.
 - f. Within 30 days after completing construction of the entire project, or any independent portion of the project, the permittee shall provide the following to the Agency, as applicable:
 1. For an individual, private single-family residential dwelling unit, duplex, triplex, or quadruplex - "Construction Completion and Inspection Certification for Activities Associated with a Private Single-Family Dwelling Unit" [Form 62-330.310(3)]; or
 2. For all other activities - "As-Built Certification and Request for Conversion to Operational Phase" [Form 62-330.310(1)].
 3. If available, an Agency website that fulfills this certification requirement may be used in lieu of the form.
 - g. If the final operation and maintenance entity is a third party:
 1. Prior to sales of any lot or unit served by the activity and within one year of permit issuance, or within 30 days of as-built certification, whichever comes first, the permittee shall submit, as applicable, a copy of the operation and maintenance documents (see sections 12.3 thru 12.3.3 of Volume I) as filed with the Department of State, Division of Corporations and a copy of any easement, plat, or deed restriction

needed to operate or maintain the project, as recorded with the Clerk of the Court in the County in which the activity is located.

2. Within 30 days of submittal of the as- built certification, the permittee shall submit "Request for Transfer of Environmental Resource Permit to the Perpetual Operation Entity" [Form 62-330.310(2)] to transfer the permit to the operation and maintenance entity, along with the documentation requested in the form. If available, an Agency website that fulfills this transfer requirement may be used in lieu of the form.
- h. The permittee shall notify the Agency in writing of changes required by any other regulatory agency that require changes to the permitted activity, and any required modification of this permit must be obtained prior to implementing the changes.
- i. This permit does not:
 1. Convey to the permittee any property rights or privileges, or any other rights or privileges other than those specified herein or in Chapter 62-330, F.A.C.;
 2. Convey to the permittee or create in the permittee any interest in real property;
 3. Relieve the permittee from the need to obtain and comply with any other required federal, state, and local authorization, law, rule, or ordinance; or
 4. Authorize any entrance upon or work on property that is not owned, held in easement, or controlled by the permittee.
- j. Prior to conducting any activities on state-owned submerged lands or other lands of the state, title to which is vested in the Board of Trustees of the Internal Improvement Trust Fund, the permittee must receive all necessary approvals and authorizations under Chapters 253 and 258, F.S. Written authorization that requires formal execution by the Board of Trustees of the Internal Improvement Trust Fund shall not be considered received until it has been fully executed.
- k. The permittee shall hold and save the Agency harmless from any and all damages, claims, or liabilities that may arise by reason of the construction, alteration, operation, maintenance, removal, abandonment or use of any project authorized by the permit.
- l. The permittee shall notify the Agency in writing:
 1. Immediately if any previously submitted information is discovered to be inaccurate; and
 2. Within 30 days of any conveyance or division of ownership or control of the property or the system, other than conveyance via a long-term lease, and the new owner shall request transfer of the permit in accordance with Rule 62-330.340, F.A.C. This does not apply to the sale of lots or units in residential or commercial subdivisions or condominiums where the stormwater management system has been completed and converted to the operation phase.
- m. Upon reasonable notice to the permittee, Agency staff with proper identification shall have permission to enter, inspect, sample and test the project or activities to ensure conformity with the plans and specifications authorized in the permit.
- n. If any prehistoric or historic artifacts, such as pottery or ceramics, stone tools or metal implements, dugout canoes, or any other physical remains that could be associated with Native American cultures, or early colonial or American settlement are encountered at any time within the project site area, work involving subsurface disturbance in the immediate vicinity of such discoveries shall cease. The permittee or other designee shall contact the Florida Department of State, Division of Historical Resources, Compliance and Review Section, at (850) 245-6333 or (800) 847-7278, as well as the appropriate permitting agency office. Such subsurface work shall not resume without verbal or written authorization from the Division of Historical Resources. If unmarked human remains are encountered, all work shall stop immediately and notification

shall be provided in accordance with Section 872.05, F.S. (2012).

- o. Any delineation of the extent of a wetland or other surface water submitted as part of the permit application, including plans or other supporting documentation, shall not be considered binding unless a specific condition of this permit or a formal determination under Rule 62-330.201, F.A.C., provides otherwise.
 - p. The permittee shall provide routine maintenance of all components of the stormwater management system to remove trapped sediments and debris. Removed materials shall be disposed of in a landfill or other uplands in a manner that does not require a permit under Chapter 62-330, F.A.C., or cause violations of state water quality standards.
 - q. This permit is issued based on the applicant's submitted information that reasonably demonstrates that adverse water resource-related impacts will not be caused by the completed permit activity. If any adverse impacts result, the Agency will require the permittee to eliminate the cause, obtain any necessary permit modification, and take any necessary corrective actions to resolve the adverse impacts.
 - r. A Recorded Notice of Environmental Resource Permit may be recorded in the county public records in accordance with Rule 62-330.090(7), F.A.C. Such notice is not an encumbrance upon the property.
2. In addition to those general conditions in subsection (1) above, the Agency shall impose any additional project-specific special conditions necessary to assure the permitted activities will not be harmful to the water resources, as set forth in Rules 62-330.301 and 62-330.302, F.A.C., Volumes I and II, as applicable, and the rules incorporated by reference in this chapter.
